Gentlemen

We wrote you yesterday since then none of your favours to hand.

The weather was bitter with a chill and yesterday I was while sitting in the parlour with Mr Lockhart thus has quite unwell since. Had a very disagreeable headache & pain in his back. Thus was then on Monday. To day is his regular day, but he does not feel well having and, though he was not just now under the pain in the back & continuing & he may have a return of it.

The foreign letters are through this morning & the details only go to explain more fully the telegraph in advance previously rec'd. Purchasers have not had much time appeared yet, presume it will take the day for them to determine what to do. Orders are gone & if they determined we hope there will be such [illegible] as to enable us to get full prices [illegible] ready to sell when we can [illegible] at full rates.

Say to J. W. Scruggs that we paid his B. [illegible] draft on Monday for the benefit of the [illegible] & trust that we hope he will forward the [illegible]

Gents

We write you a few lines by this Mornings Mail yesterday of the 19th in which we gave you the light we could under

I am informed to A O Harris esq, At the time the Balance sheet was made up he was charged with 19 or 18,000 of accounts Dr Watkins on near 400 Bales of Cotton which has since been sold. with some funds or acceptances, which Mr Hopkins Rain left here when he was going to from Memphis this account is very much reduced since the Repo it very satisfactorily to us. he informed to Fearn & Putnam esq. They have all their shipments held up. between 5 & 600 Bales. & we have no orders to sell yet. Possibly their business is not as prosper as they get what for a letter they bought through us we had their Notes at 90 days we counted some time ago for $25,000 to enable them to hold on to their Cotton as they bought at high prices, we from George was not pleased, as he complained that of the difference between the regular charge of Interest & the discount, & said some very bitter. we contented him with the Nett proceeds of his Notes. The acct against Dr Watkins will have

[illegible] accts were rec'd by steamer Saturday. Sales 8 to 10.000 Bales. They closed positively yesterday, 1/4d advance. Sales 2000 Bales at former prices. We doubt if it is going to make much impression on our market. It is said the New York Market [illegible] at [illegible] 1 1/2 to 2 cts [illegible], and we have yet no sales of Alabama as lately. Dr Sirs

We wrote you yesterday since then none of your favours to hand.

We hand the Steamers accts by Telegraph a little fuller than yesterday. The Stock on hand is rather larger than was calculated and if it had not been for the mistake of 96.000 Bales it is supposed prices would have advanced more. There is some little inquiry to day, but have not heard of many sales. & there is not much chance of an advance here unless buyers come forward with more spirit. English buyers stand aloof & they calculate on having every thing their own way after the Northern & French buyers are supplied we hope they will be disappointed. The sales yesterday were 4 to 5000 Bales said to be at full prices. we have not sold any Alabamas or Mississippis. Since the accounts came in we are nothing about 1/2 d advanced but fear we shall succeed in getting it

Dear Sirs

We wrote you yesterday since then none of your favours to hand.

We have nothing special to communicate to day, except that we have a very dull Cotton Market. The amount sums to have died away & speculators appear to have lost their spirit. We fear the increased stock in Liverpool. The large arrivals keep the caution & timidity of Buyers are all at work against Cotton. It may be however one of those bulls that succeeds and experiment & that we shall see in a few days the same disposition to buy again.

We notice that many of our friends are beginning to get their expectations for high prices, raised pretty high. Say 14 to 15 cts for Alabama Cotton. We are under the impression, from the feeling towards it here, that their ideas will not be realized. Very few prominent men think that we must with have confined even in present prices have sustained. Indeed the writer considers the matter so uncertain that he is in favour of realizing at present rates if he could do so. This is for yourselves. Yrs truly

Telegraph last [illegible] of
1/4 to 1/2 in bales. Some few sales were made
after the arrival, at an advance on Saturday's
prices of 1/4 to 3/8 cts. This was about the average
we got on our list of Alabamas. They did not
bring on Saturday over 10 1/2 cts if that. Stained Cotton
is poor lots - good proportion of low Cotton in it.
The prices are too good to speculate for our friends
& we shall keep selling when the Market offers
inducements to do so unless the Shippers gives
us specific instructions to hold. Most of our
friends are advising sales on arrival & we think
they are ~~[illegible]~~ right.

We have Recd no protest for Mr Hatton's
Cotton, see that it is sent forward.

We are holding all of Fearn & Putnam's Cotton by agreement also Pitser Millers -
Sugar is very low low Sugar prices will be low

Dear Sirs

We have this pleasure yesterday since the receipt of your favours to hand. The demand for cotton was pretty active yesterday & we note in Saturday quotations, sales 5000 Bales. There is some enquiry this morning & we hope it will enable us to sell a lot of Alabamas of about 5 to 700 Bales which we have ready on the Tables. Prospects look fair for a little more advance, but when we consider that we are 2 cts above the Liverpool Market & that it is possible something unfavourable may intervene that might affect the article, we think it best to avail ourselves of present rates for what has come to hand & if there is any further advance the balance to come will have the benefit of it. indeed most of our friends who give us instructions wish they wish us to sell & realize present rates.

Middlings rise every two quotes at 11½ cts & Alabamas from 10¾ to 11½ cts.

We write you yesterday
since then we have received your favors to hand
The demand for Cotton yesterday was moderate, sales reported 2000 Bales, prices firm
To day there does not appear to be much
business doing but we look for a good demand
shortly as the news from New York is quite
favorable - and we think it will have its in-
-fluence here -

The "Huntsville" arrived late last
Evening, she is discharging to day. Was we hand
Brewers damaged Cotton - We noted 53 Bales
Mrs Lanniss in it for which we have no
Bill of Lading yet - will give it attention pre-
-suming we will have Bill Lading for it by
next Mail -

You can say to the Messrs Robertson
that we have received 43 Bales of their cotton
& the Estate of R Horton 78 -. It is not sam-
-pled yet. when they come in will write them

There is very little cotton coming to us
from Memphis or Miss. The Markets there are
better than here & most of our customers are
selling there - We noted in the manifest of the
"Huntsville" that our friend Sterling Cockrill
is shipping his cotton to Brown McGregor
& Co. they are more convenient to him in preference

Down Rain & we presume little will be done though some buyers are looking round - We are sorry our friend Isham H Fennell has sold, as we think we could have found better for him - The Johnson who is partner of Johnson & Lawrence is not the same Johnson we had to do with but should think a man of 2 do would be pretty good security for letters of credit for drawn at 5 to 90 p.ct

Yours of the 9th last has not come to hand - Possibly it has been detained between Sam & Montgomery - we have not had any thing since Monday, but hope for a movement pretty soon - say to Mr McCalley that the Balance of his first shipment has not come to hand yet

Messrs Fearn Don

We wrote you on the 22d Inst. and in that we gave you forward to hand a duplicate of Bills of Lading & invoice for parcel of 61 Mobile Cotton, we now with enclosed.

The Cotton Market was better and yesterday but prices are firm - sales about 2000 Bales. We have no demand for Alabama as.

The Canada's letters are to hand by this Morning Mail & read favorably. We are expecting Liverpool accts to the 12th Inst. to day, but they are not yet rec'd, Hope they will be favorable.

If the Messrs Hammonds say any thing to you or ask why 16 Bales of their Cotton was sold, you can say to them it was rec'd by itself & 53 Bales in another shipment, which was not divided between Bradley, Wilson & Co & ourselves. It would be better if they would mark their Cotton in ~~separate~~ two Marks & send one to them & the other to us, as it is hard to manage from the manner in which the four letters be left it.

Yours truly

New Orleans January 25th 1850

Messrs Fearn Donegan & Co

Gentlemen

We wrote you yesterday forwarding the usual form of our prices to hand.

The Cotton Market was quite active yesterday, Sales 1100 Bales, prices said to be irregular. Factors are generally very firm & the general impression is that the Steamer from Liverpool now due will bring favorable accounts.

We have some trouble with the Cotton sold on Saturday. They are for rejecting some of them on the ground of being mixed in the Bale. The Bynum lot of 1 Mark belonging to D. Moores Estate, are said to be entirely through Mr Bynum & yesterday 1 Bale. Mr Atwood has been at the press all day for the purpose of arranging with them. you had better say nothing about it until we ascertain particulars, which we will endeavor to send you to morrow or if he comes in time by this

The "Cherokee" is in port & has with 486 Bales. belonging to the following parties viz- Mrs E. Jordan 70. McCalley & Drake 48. Joseph Sively 54. S. W. Scruggs 10. Mastin & Bro 9. John H. Drake 35. Patton & Barker 4 Kirkman & Rice 7. Jamie Irvine 100 Northrup & Rice 35

New Orleans January 26th 1850

Mess.rs Fearn Donegan & Co.

We wrote you yesterday & have without any communication from you since the 14th inst.

The market for Cotton yesterday was quite feeble, Sales 12 to 1500 Bales. prices firm. Some parties are beginning to increase their estimates of the crop to 2300 or more Bales, which will not help us, as it will lead confirmed speculators in their calculations of a very large increase. English buyers have offered yet, expecting the Market to drop a little. Steamers news are, we are reported out between Boston & Halifax a good sign for a further increase in prices. Hope it may be so & that we may be able to get good prices for our recent arrivals.

The Mobile arrived last night bringing us 20 Bales for F. W. Bynum. H. A. Binford 50 Bales A C L 30 Bales Legg. 41 Bales W. F. Gillaspie. H. T. 16 on Bill Lading, S B. 16. J. S. Bain, Fearn & Co Bales 19. A G & S Henry 77 Bales & David Dicketts 9. 15 for Dr J. N. Houston, Fennell 48. H. B. Cartwright 12. H M & E H 29. on Bill Lading.

Freights are creeping a little, which with an increase by the Steamer will help us. Yours truly
