DART ANTI-TANK GUIDED MISSILE
REDSTONE ARSENAL, HUNTSVILLE, ALABAMA

This vehicle-launched, rocket propelled guided missile is designed for use by front line troops. It requires a minimum of technical training to operate, yet carries a warhead capable of defeating the heaviest known enemy armor. This versatile Army missile can deliver its warhead with pinpoint accuracy.

8-6-58 - It is Wed. A.M.
and temp is 78. Frank is in
Florida and will be back this week
and we leave Mon. don't
know whether they intend to visit
your brother's family. They had said
they might. I'll be there as soon
as possible. Embodiment are working
as possible, yard - being up for bars.

My plane yard - being up for bars.
They are hot and I want to go slowly.
I have sent to Detroit by plane on Mon.
and will be back soon. I will
