

**ALABAMA SPACE AND ROCKET CENTER**  
America's Largest Missile and Space Exhibit  
Tranquility Base  
Huntsville, Alabama 35807

The Alabama Space and Rocket Center is the largest missile and space exhibit in the world. It was dedicated by the citizens of Alabama to those Americans who made it possible for man to walk on the moon and to explore the universe; and to the youth of America who will utilize space technology for the benefit of mankind.
