CHB FOLDER 5 1910s  
UAH, Dr. Roberts Collection, Box 1A2

F. S. CABANISS  
REGISTER IN CHANCERY  
MADISON COUNTY  
HUNTSVILLE ALABAMA

2

Fifteen cents per 100 words for making these copies, in addition to other fees in connection with the appointment of a commissioner. I enclose a copy of fees allowed Register in Chancery, which is copied from the code of Alabama.

You ask who ordered the item of \$42.00. That is my fee for services performed under statutory authority (See Article No. 7 of Code of Alabama, Sections 3070 to 3076. Please read carefully, that portion which sets out the duties of "Registers in Chancery. These fees are earned by the faithful performance of the duties of the office, <sup>the duties</sup> and are not performed <sup>in</sup> by the order of any one, but are required of us by law. This Court is a Court of Record, and all proceedings are recorded and any neglect on my part to make such record would be a failure to perform my duty as Register.

The item of Nine Dollars, Commissioner's fee, is the fee charged by the Commissioner, who took the depositions of defendants' witnesses. If the Commissioner, who took Complainant's testimony had notified me the amount of his fee, that would have been included also; or if there had been an order to publish testimony, I could have ascertained the amount from the depositions. Under the laws of Alabama a commissioner is entitled to 20 cents per hundred words, not including Caption and Certificate, and \$1.50 per diem, for each day spent in taking the proof. (Sec. 3154 of Code of Ala. for year 1907)

It is customary to tax all costs against the complainant, when the case is dismissed on his motion.

I trust that this explanation is satisfactory. I beg leave to call your attention to the fact that I had received no notice

McDONALD, York, Ala.  | <p>The United States expects you to give to the allied charities not less than \$1.00 and as much more as your pocket book, heart, conscience and patriotism dictate. The amount you are assessed is arrived at by a committee appointed by the chairman of these charities. The committee examined the tax records of your property, took into consideration your earning capacity, what you have done and failed to do in the past, as well as your financial condition. The assessment is both fair and equitable. The charities representing the United War Works Campaign are given on the letter head at the top. These charities are not Sectarian, neither Protestant, Catholic or Jewish. They are all ONE HUNDRED PER CENT AMERICAN. Mr. Woodrow Wilson, as president of the United States is at their head. The money raised for these charities will be expended under the audit of officers of our government, and will be apportioned to these charities in exact proportion to the amount of good work they do. Do not confuse the buying of Liberty Bonds with the giving of money to nurse our wounded soldiers and to relieve the suffering of those made homeless, hungry, cold and naked by the brutal Hun. The man or woman who buys Liberty Bonds and refuses to give, or gives just as little as possible, to this call of humanity, would, if there were money to be made out of them, buy German Bonds. You can not then establish a reputation for patriotism by lending money to your government. Neutral countries and even alien enemies do as much. The names of the committee for receiving contributions in your beat are found on the margin of this letter. Go to one of them immediately on receipt of this letter and pay your assessment. If you fail to comply with this request of your government by Nov. 14, 1918, you will receive another letter telling you just what you may expect as a consequence of your lack of patriotism. There is a record of what each one has contributed so far, to this cause and this record will be continued. The government has furnished a book for this purpose and it is required to be kept open to the inspection of the public, in the probate office at Livingston, Alabama.</p> |  |
