Triana Feb. 25-1875

Mr. Ward

I have had Mr. Morrow, the
the County Surveyor saying to my
clear land in Morrow. He confidently
informing me that he had been
to him concerning the land
and offered to sell him the land
to take up certain lands, which he
said was a plot. He said that
I had no deed for the land. Morrow
would not take that. Advise me of
and notified me to look in to the
matter. He told him there was 80 acres
in sec. 26 & the N.E. 1/4 of sec 25. My deed
calls for all of sec. 25 & the West 1/2 of 26—
whether correct or not. I am not able to
state. If you will investigate I would

I am not positive in the morning

our land we want it as it would run
in to us in such a form as to damage
our land. The whole thing might be handled

 different and I told him & began
 to reason with him & he said
 that I was trying to steal
 every thing that he had & he
 had been talking around about
 me and I told him about &
 told him to get out of my
 office & not come back any
 more so I have never spoken
 to him any more but I showed
 your note to Eddie my brother
 and told him to see Dru & tell
 him to state what he wanted
 & for him to make the settlement
 & I went to see my father & he
 said that any thing that was
 right that he would do my
 opinion is that if you would
 see them that you would have
 no trouble about fixing matters
 I believe that if you could get

Dru to do right there
 would be no trouble but
 if father was to give him
 every thing that he had I
 believe that he would grumble
 because he did not have more
 to give him I have written
 all that I know about the
 matter I expect that
 E. K. Young could tell
 you more about the matter
 now than I can as I haven't
 had anything to do with it
 since we had our trouble if
 I could see you I could tell
 all about it I advise you

The interest is paid with 10% on that amount from the time it was due, which calculation you can make, & write me giving direction how the money shall be forwarded to you. I hope before some mortgage falls due, to be able to see the place & pay it off as Harvey & my Sister wish to realize their interests. It is a valuable place, & with the expenditure of two or three thousand dollars, for Steam Power & better buildings, can be made one of the most desirable places I know of. It is capable with good stock to work it, and proper management of yielding every year over 200 bales of Cotton & corn sufficient to run it. We are not in that condition, & cannot work it to advantage. I think Harvey & Sister will be willing to sell the place for \$15,000 - in which I would give, being in our impoverished condition. Perhaps it would suit you to buy it, or you may know of some one who wishes to invest in paying property at the present low prices. The State

by the war, & security debts, & the ungrateful
conduct of those who should have been in
his old age, & troubles his stringest friends.
I return you my dear friend, the gratitude
of my heart, & those who are near & dear to me
think for the indulgence you have manifested
towards us, in extending the interest, and
hope you will continue the same kindness
to us as we must pay the interest on of

Looking back to the associations of
former years, when our families were so
comfortably & luxuriously provided for,
and our father so industriously connected
by ties of business & friendship, it is sad
indeed to realize the ^{changed} condition to which
my family has been reduced -
