Transcript on Appeal.

Messrs Watts & White, Attys
Huntsville, Ala.

Jan. 24th 1933

To
Mr. C.L. Watts,

Dear Sir, At my request, Mr. Griffin allowed me to read the copy of your Brief and Argument for Appelles in above ~~case~~ case on Appeal. I find on Page 2 the following statement; " and it appears from the face of the record in this case, that all exhibits offered in connection with the oral examination of the witnesses, have been omitted from the Transcript with one exception. Upon said testimony the Court found that appellee had paid a total of \$1500.00 principal and interest on the Giles Mortgage." I find on page 11 the following ~~statement~~ statement; " Before we come to a discussion of this case on its merits, we wish to suggest another matter that it appears will necessarily result disastrously to this Appeal. The face of the record shows conclusively that much of the evidence offered in connection with the oral testimony taken before Judge Speake on July 29 1932 and Aug. 10th 1932, is omitted from the transcript This being true, the decree of the Court based thereon is not REVIEWABLE by this Court; (See Brief Supra VII.) In this connection, we think it might be well to emphasize the alleged omissions by listing them specifically."

And after listing the alleged omissions, the following statement ~~is~~ is made in your argument on page 12.

" This failure in this case to embody in the record all the documentary evidence offered in connection with the testimony of the witnesses examined, orally before Judge Speake, makes it a case where the transcript fails to affirmatively show that it contains all the evidence offered on the trial below. In such a case the appellate Court ^{it would be an impossibility for} could not know whether there was

I further certify that the documentary evidence, listed above, was not handed down with the Decree, by the Court, nor filed with the testimony, nor put into the hands of the Register, nor left with the Court Reporter, but was retained by Mr. C. L. Watts, one of the Solicitors for defendant, and never at any time made available for the making of the Record. That Mr. C. L. Watts, has been since Aug. 10th 1932, in adverse peaceable possession of the same, and is now in possession of said documentary evidence. That as Register, I had no authority to demand that the said evidence should be included in the Transcript, as the papers had never been identified as Exhibits, nor filed in my office nor in my possession, and it appears from his Argument, filed with his brief, a copy of which is now before me, that in his opinion, the omission of said documentary evidence "will necessarily result disastrously to this Appeal."

I further certify that said Omission is due entirely to the premeditated negligence of the Solicitors of ~~the~~ Appellees, in withholding the said listed documentary evidence from the incumbent of this office, thereby causing the Transcript to be ~~filed in the Court~~, ^{on complete} imperfect, without any fault on the part of the Register.

23rd JUDICIAL CIRCUIT
JANUARY 28th 1933
PAUL SPEAKE, JUDGE

vs. Chas. S. Buell
& Gertrude S. Buell,

Mr. C. L. Watts,

Dear Sir, At my request, Mr. Griffin allowed me to read ~~your~~ the copy of
filed by you
brief and argument for appellees in above stated case, on appeal. I find
on page 2, the following statement;
~~It appears from the face of the record, in this~~
case of the record, that all exhibits offered in connection with the oral
examination of the witnesses, have been omitted from the Transcript, with
one exception" and on page 11 and follows; Before we come to a discussion
of this case, on its merits, we wish to suggest another matter, that it appears
will necessarily result disastrously to this appeal, The face of
the record shows conclusively that much of the ~~your~~ evidence offered in
connection with the oral testimony taken before Judge Speake on July 29th
1932 and August 10th 1932, is omitted from the transcript. This being true
the decree of the court based thereon, is not reviewable (See Brief Supra VII)
In this connection we think it might be well to emphasize the omission, by
listing them specifically, viz; " And after listing the alleged omissions,
the following statement is made in your argument on page 12.
" This failure in this case to embody in the record all the documentary
evidence offered in connection with the testimony of the witnesses examined
makes it a case where the transcript fails to affirmatively show, that it contains
all the evidence offered on the trial below. In such a case the
appellate Court could not know that there whether there was error in the
finding of the trial Court. "In such a case it would be an impossibility
for the ~~appellee~~ ^{appellant} to affirmatively show error. It is been the
uniform practice of our courts, where this situation is shown, to refuse
to review the case on appeal.""
The above is a very clever point to make in your argument, particularly
as it is made to appear that the omission was the fault of the Register
