Immediately in front of this Gulf Refining Company filling station, there has been erected within the last few years a Pan American Filling Station; just north of the Pan American Filling Station, on Madison Street, and within about a block and a half of the Lytle Home there has been established in the last two years or thirty months, the Womack Funeral Home; this Womack Funeral Home is in a house that was formerly an old residence. These changed conditions in properties surrounding the Lytle property have all taken place in the past few years, and since Mr. Lytle acquired the property for a residence. In the opinion of affiant the adjacent property will not be depreciated in value by the conversion of the Lytle Home into a funeral parlor.
