Dear Sir -

If not too low in funds, bring Acts of last Session and I think it would be well to strain your credit if need be and bring or send 54th & 56 Ala - If you can get any information conveniently about the Ricketts case do so. If the Judge having it, has examined it and will let us know any ground of doubt he may entertain as to reversing it, perhaps we may be able to help him out of the difficulty.

Speake is yet in bed but better - thinks it not probable that he can hold the Jackson Court
