Complainant's said bill, and cannot set forth as to his belief or otherwise whether the said Richard was indebted as therein set forth on the 27<sup>th</sup> day of April 1866. This respondent may have heard in casual conversation, the place where, person with whom, & the time when being now forgotten if ever did occur, something about the indebtedness of the said Richard and as to his being in embarrassed circumstances pecuniarily, but as to the real extent of the said Richard's indebtedness, the parties to whom he was indebted & the amount, and his capacity to discharge the same this defendant is utterly ignorant and without knowledge in reference thereto.

Par 3 That as to the allegations of the fifth paragraph of the said Complainant's said bill this respondent answering says he believes exhibit B appended to the said Complainant's said bill is a copy of said deed of conveyance from the said Richard to the said Josephine. This defendant knows not whether on the 27<sup>th</sup> day of April 1866, said Richard was insolvent, and executed.

said deed of conveyance of said personal and real property to the said Josephine with the intent to hinder delay and defraud his creditors. This defendant is informed believes and so alleges that the securing in said deed of conveyance by charging & encumbering certain portions of the real property therein particularly described with the payment of the said debt of fifteen thousand dollars due to Bradley Wilson & Co was a bona fide transaction, that said Richard was justly and truly indebted to said Bradley Wilson & Co at the date of the execution of said deed of conveyance in the sum of at least fifteen thousand dollars; that for the purpose of securing the payment of a portion of said indebtedness and with no intent to hinder delay and defraud his creditors the said Richard of-  
 -created by said deed of conveyance upon the real property therein specially mentioned said lien for fifteen thousand dollars; that upon the representations of said Bradley Wilson & Co that said lien was created in good faith, was a bona fide transaction, that said Richard was justly & truly indebted to them in the sum exceeding fifteen thousand dollars the amount secured, & was not made for

the purpose of hindering, delaying, & defrauding  
any other creditors of the said Richard

This defendant accepted an assignment of  
all their right title & interest therein in full  
discharge & payment of their then indebted-  
ness to him amounting at the date of  
said assignment, which was on the  
day of 1867, to the amount of at least  
thirty thousand dollars

Par 4<sup>th</sup> That as to the allegations of the sixth para-  
graph of the said Complainants said bill  
this respondent answering says that he is  
informed and believes and upon such  
information and belief denies that the  
said Bradley Wilson & Co did know of the  
fraudulent purpose, if there was any of  
the said Richard, nor did they join in his  
contrivance if he had any to hinder de-  
lay and defraud his other creditors. As to  
any knowledge by the said Josephine  
of the alleged fraudulent purpose of the  
said Richard, and her joining in his al-  
leged contrivance to hinder, delay and  
defraud his creditors this defendant is  
utterly ignorant and without knowl-

This defendant denies that he knew at the time said debt was assigned to him that said deed of conveyance was of a fraudulent character. On the contrary this defendant was informed and so believed, believes now and so alleges that the said deed of conveyance was a bona fide transaction as to the charging & encumbering with the payment of the said debt of fifteen thousand dollars due to Bradley Wilson & Co certain portions of the real property therein particularly described, being based upon the following state of facts; the said Richard was justly and truly indebted to said Bradley Wilson & Co at the time said deed of conveyance was executed in the sum of at least fifteen thousand dollars and being so indebted and desiring to secure the payment of a portion of said indebtedness, did, by

S. D. Cabaniss Esq.  
Chairman of Democratic Co. Committee  
for Madison County.

Sir: Yours of the 25<sup>th</sup>  
inst. is duly received and its contents considered. In  
reply I take pleasure in saying that I am perfectly  
willing for the Executive Committee to withdraw my  
name as a candidate for County School Superintendent,  
if they shall think that Mr. Haden would be more  
acceptable to the <sup>people</sup> ~~Majority~~ of the County, and that  
he would, therefore, be more likely to prevent the  
success of the present iniquitous scheme of foisting  
upon the people of the County a man not at all  
acceptable to them. Your apprehension that  
such an attempt would be made on the heels  
of the election, having been fully realized, I hereby  
submit the matter to the decision of the  
Committee.

Very Respectfully,

The separate answer of Narcissa Scruggs to the Bill of Complaint heretofore filed in the District Court of the United States for the Northern District of Alabama, by Milton Humes assignee in Bankruptcy against the respondent and others

Not confining any of the insufficiencies or imperfections of said Bill, the respondent for answers thereto, or to so much thereof as she is advised it is material for her to make answer unto, answering says;

- 1 - She believes the allegations of the first paragraph of said Bill are true
- 2 - Respondent has no knowledge of the allegations of the second paragraph of said Bill, beyond the fact that her husband the said John W. Scruggs, was indebted - but in what sums, to whom, - and how she does not know, is not informed, and can not say, - and requires proof of these of these several facts - if material -
- 3 - The allegations of the third paragraph of said Bill are true -

paragraph of said Bill respondent says, - That on the 14<sup>th</sup> day of May 1866, the said John W. Scruggs did by his deed of that date, - (a copy of which marked Exhibit A, is filed with said Bill.) - conveying said property to this respondent. She denies that said conveyance was made with intent to hinder, delay and defraud the creditors of the said John W. Scruggs, - or with any fraudulent <sup>intent</sup> or purpose whatsoever. She avers that said conveyance was made by the said John W. Scruggs, and accepted by her in the utmost good faith and upon the considerations and for the reasons recited in said conveyance. She denies that said deed was contrary to, and prohibited by the laws of Alabama, or that it is null and void. She denies that said property at the date of said deed was worth the sum of \$50,000. She avers that it was not then worth exceeding the sum of \$20,000 - and she does not believe that it could have been sold for that sum. The land so conveyed to this respondent, in

including the sixty acres before that time sold off to Joseph Martin & others was purchased by the said John W. Scruggs for the sum of thirty two hundred and fifty dollars, and he took the deed there for to himself individually. This purchase was made by the said John W. Scruggs in respondent thinks 1850, or 1851, and was purchased for her & not for the use of the said John W. Scruggs - and the money used in paying for said land was money belonging to the separate estate of respondent, under the laws of Alabama, and respondent believed that said land had been conveyed to her until years after said purchase - valuable improvements have been made upon said property, but not at a cost of \$25,000. The costs of said improvements did not exceed \$18,000 - Respondent denies that all the money expended by the said John W. Scruggs in said improvements was his money; On the contrary she avers that the use of monies belonging to her separate estate

under the laws of Alabama, the sum of about \$4,000. He likewise expended on said improvements about \$24,000 realized from a sale of a portion of the said lands, to one Samuel J. Clark

5<sup>th</sup> Answering the allegations of the fifth paragraph of said Bill respondent says, she does not know whether the said John W. Scruggs was insolvent or not, on the 14<sup>th</sup> day of May, 1866. But if he was respondent did not then know it, nor did she then believe it. She denies that by said deed her said husband conveyed to her all the property he then owned. On the contrary she is informed & believes, and so states the fact to be, that he then owned much other property not embraced in said deed

6 Answering the allegations of the sixth paragraph of said Bill respondent says, it is not true, as complainant alleges that the consideration recited in said deed was simulated and false, and that said deed was executed without

Such of the allegations of the several paragraphs of said Bill as are true, respondent has admitted, and such as are untrue, she has denied and such as were partially true and partially false, she has so admitted or denied -

And the respondent having fully answered the allegations and the interrogatories in said Bill contained, now insists upon the following facts in bar of the recovery sought by Complainant in his said Bill -

That on the 11<sup>th</sup> day of November 1867, she... her original Bill of Complaint by her next friend James H.
