There are credits to personal accounts

concluding credits to the amount of \$2074.46
The books show a profit of \$ 25886.49.
They also show interest in note of Wells to

I think the interest on these notes is

Huntsville,

My dear Sir,

I've been waiting with much patience & anxiety to receive those documents which were in prospect of preparation when I left Huntsville but as yet I've heard nothing from them. I apprehend they have been delayed by irregularities of mail. If such be the fact you had better send forthwith duplicates of the same, in order that they may receive my signature & affirmation. Whichever my opinion is needed in Hunts, please advise me, I trust you may regret nothing in the way of successful management of this business. So soon as the papers arrive I will without delay forward them to you. I rec^d a letter from James White send my return but nothing from you.

Let me hear from you as often as practicable

Dear Sir.

You will remember at our last Chancery Court the Report of the Register of the Sale of the Bates Land was set aside, and Register ordered to refund the money to Jones the purchaser. I had a talk with you before the decree setting aside the sale, and I understood you to say that the Bank would see that all the costs were settled. I will ask you to do me the favor to see the officers of the Bank, & Col. Cabaniss & Ward and see if they want the Land sold again & if not ask them to see something about the cost. I applied the purchase money to the payment of cost & having to refund it makes it hard on me. The cost is about \$185.00. Please attend to this, and I will hope to serve you in future.

Yrs Truly

Your Company had
issued a policy on my life in favour of
my wife, Eliza D. Walker for \$5,000.
Upon looking over it last night I discover
that it requires me to live north of
the 36° latitude - whereas I reside, and
have resided all my life south of
that latitude. This was omitted in
my application, still I do not wish
to hazard any possible room for
controversy, and I therefore write
to request you to forward to me
without delay the usual receipt
papers which is usual in similar
cases. Your prompt attention
will oblige -

Yours of the 16th just in reply
to mine of the 5th is received.
The very few (my) explanations
we presume will be quite satisfactory.
I think in matter of business no
one should be left for presuming
and you must therefore pardon
me for insisting upon a positive
answer one way or the other.
It is better for me to abandon
my plan at once and retire
elsewhere unless you now say
