Dear Sir

Having just received your note of the 30<sup>th</sup> of April. I hasten to reply. I have carefully examined the record in my office I can find no conveyance made by ~~John~~ John Gunter to any person of the lot conveyed to him. Edward Gunter nor any other Conveyance of land or lots from him to any person; If he made any conveyance it is likely it was done after Marshall County was established, if he made any prior to that time the survey has failed to file them for record.

I will speak to Green on the Chandler matter. The best news I have at this time, I am in tolerable health and we are every now & then killing some deer & catching some fine fish; we say nothing about Henry or Manny matters here. It is like I will be in your town next week.
