To Virginia (Shepherd) Cabaniss
From Charles E. Cabaniss [son] 1/4 120

it not been for thinking what sufferings &
privations you were undergoing at home &
that I was not there to help you bear them,
I think I will never consent to do nothing
again for I like business very much.
I have been well for some time & I think my
health will be better this winter, I have been
afflicted with Quackia & Chills nearly
all the Spring and Summer but it has
been more than a month since I was free
from either & I think they have left
me altogether. Write to me immediately to
let me know how you all are, & make
Aunt Bet & Lucy write too, I want you
to tell me every thing the Enemy has
done to you & to every body in Kentucky.
Give my love to all Aunt Sallie's folks
Mr Martin's Family, Cousin Carrie Allen &
all, & be sure to write me to Mr Secret,
Good bye & write soon
Your affectionate Son
Charles

think, that I will be strong enough
to attend. It will be too warm to
enjoy it, anyhow. I never felt warm
er weather, than we are having now.
It is impossible for me to sleep during
the first part of the night. A breeze
springs up about midnight, after which,
it is very pleasant. I suppose, that a
greater part of the heat at night, is caus-
ed by the breeze becoming so hot, by
during the day, and it being so long
light.

I am much obliged to you for the
suggestions about boarding. I believe,
that I had rather, that they had been
directions. There are six young men
here, about my age; all intend re-
ceiving instruction in Mathematics from
Col Smead, who leaves lives near
here. When I first came here, they
all expected to remain at Medway,
& go to school to Mr Carr. I paid
during vacation.

others, except Mr Martin (my room
mate), he settled up to the last of
Septembre. Mr Carr is going to be ab-
sent a month during the summer (July)
& besides he has not been (until lately)
coming up to the "scratch" in the bill-
of fare. All the "boys" have determined
to leave the 1st of July, except Martin
myself. I had almost made up my
mind to leave also, but on the last of
June I had a letter from Mr Carr
saying that if no one but Martin
should stay, that I had better re-
main; before I received your
letter. However, I will go to see Dr
Maupin & Prof Minor in a few days, &
consult one, or the other of them. I can
easily get boarding at one of the hotels,
but I think it doubtful about getting
board at any of the Professors.

Address of the "Jefferson Society".
I do not intend to join either of
the Societies at present, though if
I should join, my choice would
be, I believe, in favor of the Jeff.
I went to Charlottesville this
morning to Church, after Church,
on our way back, Mr. Clement
& I stopped at Dr. Dice's and took
dinner. Martin & Walker are stay-
ing at Dr. D's. It is a very pleasant
place, but taking all things in con-
sideration, I much prefer living
within the University.
The weather has been fine all this
week, we received our coal yester-
day. We had a large box, made
with a lock, to keep it from being
stolen or wasted.
I have a very good laundress,
she used to do some of the washing
at Midway, last session.

As I have ^{heard} nothing of the cholera
 in Huntsville, lately. I am in
 hopes, that there has ^{been} no more cases.
 I rec^d Pa's letter of the 1st inst,
 on Friday. I was so glad to hear
 that you had been shopping. I hope
 that ^{you} were not tired-out the first
 time.

I am anxious to hear how your
 sweet-potatoes have turned out, or what
 the prospect for a good crop.

Tell Sep to write me a letter about
 the horses.

To Virginia (Shepherd) Cabaniss
From Charles E. Cabaniss [son] 1/4/20

I expect that he is very busy. I am glad that Mr. Lucet is pleased with Neo-bite. It is a great comfort to me to know that you have Emily for a house servant, but I think that you ought to have at least another regular servant. Sometimes, I fear that you have not enough servants to relieve you & Pa of the burden of the drudgery, & the thought makes me miserable. It is useless for me to try to be happy, when I think that perhaps you are at work in the kitchen, and that Pa has to get up and make the fire. You must not think that this is the general tenor of my mind, for I try to look at the bright side of the picture, and try to persuade myself, that all is right. I wish that I could find a name prettier than pretty enough for Bud. You will have to let Bud adorn the name. He would make any name seem pretty. I have become very well acquainted with Dr. Dice's Family. They are all kind, pleasant people, especially Mrs. Dice and
