Why You Should Enroll With the American Correspondence School of Law

High Standing and Reputation	B ecause it is the largest and foremost Law School for Home Study in the World. It has enrolled more than 40,000 students and points with pardonable pride to its successful graduates succeeding either as practicing lawyers or in other fields of endeavor.
Resident School Methods	B ecause the method of instruction used is similar to leading resident law schools, combining the Case, Text Book and Lecture System. This efficient method gives the student a practical knowledge of legal jurisprudence.
Faculty and Lecturers	B ecause the Faculty and Staff of Special Lecturers are composed of men who are famous jurists, law educators and leading members of the bar — the nation's master legal minds.
Best Text Books	B ecause the magnificent Law Library furnished with our Course and Service is the only thorough, authoritative, comprehensive and complete legal work prepared especially for the student who studies at home.
Special Exclusive Features	B ecause we furnish the student regularly with "Talks by the Dean" and "Model Solutions" of Examination Papers — something not done by any other school.
Personal Instruction	B ecause each student receives personal and individual instruction. He is in a class by himself and may go as fast or as slow as his spare time permits.
Advanced Education Not Required	B ecause no advanced education is required of the student. The Course and Service has been written in simple language, free from legal terms and phrases. A common school education is sufficient.
Endorsed and Recommended	B ecause the Course and Service is endorsed and recommended by students, graduates, leading law educators and members of the bench and bar.
Specialists In Teaching Law	B ecause we specialize in teaching law. The entire time and attention of the Faculty and Instructors is concentrated upon the one Course — Law. We do not scatter our efforts over a dozen or more courses as is so common with many schools.
Value of Legal Training	B ecause a legal training is the best preparation for, and guarantee of success in either business or professional life. Law offers greater opportunities than any other calling and the demand for lawyers and legally trained men is constantly increasing.
Every Man Should Know Law	B ecause every man should know the Law which guides his every thought and action — know his rights and the rights of others — know what he may do and what he may not do and protect himself against fraud and injustice.
Our Guarantee	B ecause we guarantee to coach free any graduate who fails to pass the bar examinations. Our Course prepares you on all required subjects.
Object and Principle	B ecause the American Correspondence School of Law is true to its object and principle to give every ambitious man, who cannot attend a resident law school, a thorough training in the law for admission to the bar and for business purposes.
