I shall purchase.

The Country Practice came so nigh being a total failure with me in the way of pay that I almost came to the conclusion to quit it altogether, but I suppose I must be content with provisions for another season & try it again.

Please tell your Papa that I did not answer his letter immediately, because there was ground in it for a good deal of reading; & I am still investigating that new medicine "Cimex".

I was inclined to put great hopes in its use - simply because I did not know any thing about it; - but I apprehend from your remarks that its effects are very similar to the long list of Nervous remedies that are very uncertain in their effects. I am of the opinion that the hard weather, confinement to the house &c. must be held responsible for Willie's not improving as I had hoped.

Tell Lucy that my remarks about managing
views are not intended for her - but if she
has any inclination of that kind she is to give
me four weeks' notice & it shall go hand
with me if I do not be there -

Tell Bet. I intend to write her a long
letter in a few days & have not been laid
up this winter - the occasional twinges
of Rheumatism has kept me occupied
up.

I was very sorry to hear of Aunt Annie's
death. & can not imagine what is to become
of the girls. Has any thing been heard
of John Tabler?

It is almost time for the Mail to close -
so with best love to yourself & all
the family I am yours truly

Dear Fannie -

I have come to the conclusion that Fever, Cholera or Malaria, or some other creature, has certainly demoralized your Aunt Sallie, to such an extent that she has entirely dropped her correspondence with me. My recollection is that my last letter asked her to please reply by the 12th Inst. because if any of you were coming down to Beto's wedding we would do my best to be present also, but I have not read a line. What is the matter with Fannie? Beto's last letter said that you & Charlie were complaining, but
