Wed night.
Dear Frances,

How you will be glad to know that dear little Jerry says I am better. I was able to make a day at the store today. And I believe now that my glasses did have something to do with my tiddlers.

I want to tell you what a nice thing Carrie Rogers did for me today. She came to see me yesterday said they were going to Escalosa today to see a Mrs. Benlap a fine woman who has fallen and hurt herself. She said she would call Mr. Anders and inquire if he had mailed my glasses - She did and he said they had just gotten back this morning. She went to his place and got them for me. They are entirely satisfactory and I can see twice as well. Frank Parham was in store soon after she gave them to me so she asked him to take my other pair back to Mr. Anders to put some prescription in them - He gladly consented so long for all that postage and time. Be sure to send

Cards to Mays + Mrs. B.A. Rogers while you are in Europe and so many letters who have been so nice since I had been sick - just about every body in Gainesville has sent cards and nice things. Mr. & Mrs. Dearman have been so nice and Virginia has just about saved me. I shall give this letter to Sallie to give you. Bless her heart! she took me for a nice ride yesterday. I needed she is going to be an ideal traveling companion. I don't blame anybody but myself for waiting till now when my glasses changed. Edna wanted to do it but I thought I could get by with out. Take good care yourself. Send out when ever you can to us. And send Sallie Rogers more than anybody. Mail means so much to her. Must close and go to bed.
Love
Mamma

Dear Frances,

This is the first time I have written since I have been sick. Edna just handed this to me and told me to tell you she was sending you pajamas which she made for you yesterday. Be sure to write her when you get them and thank her for making them. She has so much to just little things she is busy every minute of every day it seems. Waiting on me has been a little job. I am better and getting my strength back each day. I am getting around on my walker but I have to be very careful legs are still shaky.

The Dr. comes back Monday. He has been in camp in Ga. After he examines me Edna is going to carry me back home. Don't keep me so make the trip and make a good get after I get there.

Weather here. Must close. Write when you can and often. Got the last paper you sent yesterday. Love Mamma
