COMMENTS:

We are now working on our third historical
District in the downtown - which incorporates
structures ranging from 1820 onward.
We need one of the new National Register
forms so that we will know what
information to obtain, plus any
advice you may have to offer.

He stated he also has a letter from the Twickenham Historic Preservation District Association along with the Central City Association of Huntsville regarding their annual meeting of the Association on June 26, 1978. (Letter in file).

There was a short discussion concerning the up town districts. Dr. Roberts stated that everyone she had talked to was very much in favor of this.

Mr. Howard stated that he had carried some brochures over to Mrs. Simms and Mrs. Rice and they are going to distribute them.

There being no further business to come before the Commission at this time, the meeting adjourned.

Respectfully submitted,

Tom Dozier, Secretary
