II. Rector Profile

Nativity is looking for a priest who will maintain and enhance aspects of parish life considered most important to its ministry as an active, healthy parish. We are looking for: (1) a leader in Worship, including music, (2) Fellowship, (3) Pastoral Care and Inreach, (4) Christian Education, (5) Administration, (6) Outreach, and (7) Stewardship.

Worship

Nativity is interested in finding a person who will lead worship with a poised, pleasing, up front presence. We want someone whose theology is soundly based in the Anglican tradition; who will address the biblical texts to the common every day issues of life. The parish expects to hear good sermons which will require clear enunciation and projection to compensate for the poor acoustics in the nave of our beautiful church.

An effective preacher needs to be a good story teller and needs to use appropriate and memorable illustrations. Finally, a preacher needs the courage of his or her convictions without being pompous or overbearing. When sizing up the "preachers" it should be remembered that Sunday morning worship is, for most of the congregation, what the church is all about.

It would be a bonus if the Rector were knowledgeable in church music and could read music. The Rector will need to recognize that while music is in good hands at Nativity, he must actively support the need of the congregation to participate in church music as a part of the overall worship experience.

Fellowship and Pastoral Care

To fulfill the strong Fellowship and Pastoral Care mandate, the Rector will also need to know how to involve the laity, to delegate some of the responsibility for Pastoral Care to the clergy associate, and to use the talents of part-time lay pastoral associates.

The enhancement of comprehensive fellowship will require oversight from the Rector, with responsibility delegated to some other person, perhaps another clergyman. The same style is needed to implement other important functions.

Nativity does have excellent office management capability in our parish secretary. Much responsibility can be turned over to her. The secretary, with her assistant and an additional clerk/typist, could effectively free the Rector of many second line management functions.

Present

The Church of the Nativity in 1960 might be described in a number of ways: the size of the church in square feet, the number of pews, the value of church property, the size of the congregation, the size of the Church School, the number of church services, the size of the annual budget. All of these would be appropriate at some occasion. However, here in connection with the celebration of the Centennial of our church's consecration it seems more appropriate to consider the church in relation to its tasks.

Huntsville at the present time covers an area of almost 60 square miles and has an estimated population of 70 thousand. The total area to be served by our church, which really includes all Madison County, contains approximately 800 square miles and a population of close to 100,000.

How well are we serving this area? If we wish to emphasize the favorable we can point out that while the population of Madison County increased 30% over the past ten years, the communicant strength of the Episcopal Church in Madison County increased 350%. Or a more conservative statement — while Huntsville doubled in size, our communicant strength trebled.

But — to emphasize the challenge — only slightly more than 1% of the persons in Madison County look to our Episcopal churches for their ministry.

Go forward, Christian soldier,
Nor dream of peaceful rest,
Till Satan's host is vanquished
And heaven is all possessed;
Till Christ himself shall call thee
To lay thine armor by,
And wear in endless glory
The crown of victory.

Go forward, Christian soldier,
Fear not the gathering night:
The Lord has been thy shelter;
The Lord will be thy light.
When morn his face revealeth,
Thy dangers all are past;
O pray that faith and virtue
May keep thee to the last. Amen.

Immediately following this service, a reception will be given by the members of the Church of the Nativity for its many friends in Huntsville and all out-of-town guests. While arrangements are being made for this reception, you are invited to inspect this building. Members of the Parish will be glad to assist you in visiting the Church or the Parish House.

Tonight at 7:00 p.m. there will be a Concert by our Choir and Organist in the Church Building.

The Parish House will be open until 8:30 p.m. for all who wish to come and go through it.

RIDLEY HALL

"AN IDEA — A PLAN — A REALITY"

The story of Ridley Hall cannot be told briefly. For over ten years our Parish has been at work—first with an idea—then with a plan—and now with a reality.

IT BECAME AN IDEA—In the minds of many, when over ten years ago, at the time our Parish was celebrating its centennial, a gift from a former Parishioner was sent by the Vestry to the Trustees to be the first deposit in a Parish House Building Fund Account. Those were the busy days of World War II when the Church of the Nativity was hard pressed to provide program and activity for Service Men and Workers living then in Huntsville. But in the next two years additional gifts were made and the Parish House Fund began to grow.

IT BECAME A PLAN—when in December, 1945, a gift of \$50,000.00 was given to the rector, the Rev. Randolph R. Claiborne, Jr. by Mrs. Irina Grey Ridley Herreshoff for a Parish House to be named Ridley Hall. At the same time her sister, Mrs. Mauveleen Ridley Walker, gave additional funds to employ as Architects for the building the firm of Wm. J. J. Chase and Associates of Atlanta, Georgia. During the next four years sketches and preliminary plans were prepared and studied by the Building Committee. The Parish, in the meantime, was busy gathering its resources to make Ridley Hall become a reality.

TODAY IT BECOMES A REALITY—These last three and a half years have been busy ones. A growing Parish, a growing Church School made it absolutely necessary that work be started. A new rector, the Rev. John H. Bonner, Jr., came to the Parish in February, 1950; in May, 1950, the Building Committee and the Vestry accepted the Architects' final drawings; in December, 1950, work was begun on the Chapel and Breezeway; in June, 1951, the Architect presented working drawings; in March, 1952, permission was given by the National Production Authority for us to begin building; on June 4, 1952, our contract with Chambers Lumber Company of Athens, Alabama, was signed and on June 12, 1952, actual work was started. In these last two years over \$85,000.00 has been subscribed by this Parish in addition to the \$80,000.00 which had been previously given to make the building of Ridley Hall possible.

We Rejoice today because Ridley Hall now makes it possible for the Church of the Nativity to increase its contribution to the Christian Faith and Life of our Parish and our community.
