

Mr. Henry Belk's
Life Story is an
Amazing Tale of Achievement

The biography of the life of Mr. Henry Belk is an amazing tale of achievement. It is a story of a man who has built a great business from a small store in North Carolina. It is a story of a man who has been successful in many other ways. It is a story of a man who has been a leader in his community. It is a story of a man who has been a pioneer in his field. It is a story of a man who has been a great success in many ways. It is a story of a man who has been a great success in many ways.

Belk's
Honest Dealing
Friendly Service

Our idea is to sell goods just as cheap as we can and at the same time make a small profit. When a fellow buys something he knows he can bring the goods back if he finds out they aren't what he wanted, and get his money back. That's our idea and we found that it worked."

WILLIAM HENRY BELK

THE IDEA THAT WORKED

Mighty down-to-earth philosophy—and more than just words! This is a man's promise, so full of frankness and truth that it's repeated sixty-seven years of busy Saturdays... will live on amid the tomorrows of superstores, electronics, atomics and pushbutton! Grand old Mr. Henry's solid farmer-boy beginnings gave him an especially sharp appreciation of what goes into hard work—and what hard work goes into fathering the beliefs that are the foundations of our American way of life.

"Honest dealing, and good old-fashioned friendly service" . . . a man has a right to expect this any time he steps into a store. William Henry Belk believed. That's what is sometimes called customer confidence. And it's the faith that comes of knowing where to find a real bargain that will keep our customers coming back again and again!

We've gone a long way since this store's first seedling was planted 67 years ago, back in Monroe, North Carolina. Over the years there have been many changes, to keep up with the changing times. We have built and rebuilt, renovated and improved, grown and grown—and we're still growing. But inside our doors, our founder's first two-point credo continues to be our guiding light:

"Honest dealing. Friendly service!"

We look to tomorrow and tomorrow with the same young hearted, burning enthusiasm that led Founder Belk through a lifetime punctuated by long, tedious hours of work. We pledge continued devotion to the substance and spirit of our sixty-seven year old principles of value—and forecast our future together will be brighter than ever!

① We are pleased and proud of the fact that our Company was born in HUNTSVILLE 55 years ago. . . .

② This is the modern air conditioned office located in Huntsville to serve our many policyowners and friends in that area.

③ LIKE HUNTSVILLE. . . We've grown, too!

Years ago the Home Office of our Company was first located in Huntsville. Envisioning a greater area of service it was moved to Birmingham - more central to our territory of operation. Huntsville always has been and still is one of the most important spots in our territory and is one of the places where we maintain a branch office.

Our growth has been made possible by the owners of more than 3,000,000 policies who have placed in our care their life insurance programs. Many of these policyowners live in Huntsville, Madison County and the area surrounding you and we cherish the confidence they have in our Company.

Also, our growth has been made possible by the well-trained group of our associates who are this Company in Huntsville and its neighboring area.

Today, Huntsville, you are passing another milestone in your history. . . your 150th anniversary. Like you. . . 1955 brought forth another milestone in the history of Liberty National. . . We have passed the \$1 BILLION mark of insurance in force.

④ We extend our heartfelt congratulations to HUNTSVILLE on its 150th anniversary celebration!
