The motion being duly made, seconded, submitted to vote was unanimously approved by the Commission.

Mr. Schuppener pointed out that this was just a preliminary before presenting this plan along with others including those for a proposed plaza around the square to the City Council for their approval. The Housing Authority wants to reaffirm or amend these plans so that some action can be taken.

Mr. Schuppener and Mr. Armstrong were then excused from the meeting.

COMMITTEE REPORTS

Mr. Bob Orand, Chairman, asked for the report from the By-Laws Committee. A copy of the proposed By-Laws were passed out to each member. After discussion and a few minor changes made, the Chairman suggested that a copy of these corrected By-Laws be made a part of the minutes of this meeting. After discussion, Harvie Jones made the motion to accept these proposed By-Laws with the few changes discussed. Karl Woltersdorf seconded the motion and after vote the motion carried.

The Chairman then presented a copy of the letter sent to Bill King congratulating him on the manner in which he presented his plans to the Commission last meeting.

NEW BUSINESS

C. D. Howard, Jr. then presented plans for the Batson's garage to be constructed at the rear of 516 Franklin Street. The plans met with the approval of the Commission and Harvie Jones made a motion to accept the plan for new construction. George Gesman seconded the motion and vote was unanimous.

Mr. Howard brought up the need for a form on which to assign case numbers for each new case brought before the Commission. He stated that these need to be made a part of the permanent records along with a copy of the plans. He also mentioned that this Commission would need to set up a budget for such needs as file cabinets, etc.

Dr. Roberts presented an Application for Inclusion in the National Register for national recognition. She also presented a booklet to the members showing maps, detail data, pictures of different construction periods and many other interesting facts. Many of the members thought one of these should be made up and kept with the files of this Commission.

Harvie Jones stated that he had taken note of the fact that the only vacant house in the area is now occupied and said that he was very happy this last home had been purchased by persons who are interested in restoring it rather than demolishing it.
