How It Works

For many decades Rotary clubs and Rotarians around the world have used The Four-Way Test as an instrument to develop respect and understanding among peoples.

How The Test works is indicated by the Chicago Rotarian who developed it. He suggests that first you memorize The Four-Way Test and then formulate the habit of checking your thoughts, words and deeds with it.

The Four-Way Test is now being used successfully around the world in business, government and schools as an effective measuring stick for conduct. It is a guide to RIGHT thinking. If memorized and constantly applied to relations with others, it will make a definite contribution toward more effective and friendlier relationships.

If you get into the habit of checking your thoughts, words and deeds against

- 1 -

The Four-Way Test, the experience of others has shown that it will help you become happier and more successful. Here is the story of the origin of The Four-Way Test and how it came to be developed.

STORY OF THE FOUR-WAY TEST

By Herbert J. Taylor

Back in 1932 I was assigned, by the Creditors of the Club Aluminum Company, the task of saving the company from being closed out as a bankrupt organization. The company was a distributor of cookware and other household items. We found that the company owed its creditors over \$400,000 more than its total assets. It was bankrupt but still alive.

At that time we borrowed \$6,100 from a Chicago bank to give us a little cash on which to operate.

- 2 -

While we had a good product our competitors also had fine cookware with well-advertised brand names. Our company also had some fine people working for it, but our competitors also had the same. Our competitors were actually in much stronger financial condition than we were.

With tremendous obstacles and handicaps facing us we felt that we must develop in our organization something which our competitors would not have in equal amount. We decided that it should be the character, dependability and service mindedness of our personnel. We determined, first, to be very careful in the selection of our personnel and, second, to help them become better men and women as they progressed with our company.

We believed that "In right there is right!" and we determined to do our

- 3 -

best to always be right. Our industry, as was true of scores of other industries, had a code of ethics—but the code was long, almost impossible to memorize and therefore impractical. We felt that we needed a simple measuring stick of ethics which everyone in the company could quickly memorize. We also believed that the proposed test should not tell our people what they must do, but ask them questions which would make it possible for them to find out whether their proposed plans, policies, statements or actions were right or wrong.

We had looked in available literature for such a short measuring stick of ethics but could not find a satisfactory one. One day in July, 1932, I decided to pray about the matter. That morning I passed over my desk and asked God to give us a simple guide to help us think, speak and do that which was right. I immediately picked up a white card and wrote out The

- 4 -

Four-Way Test of the things we think, say or do as follows:

1. Is it the truth?
2. Is it fair to all concerned?
3. Will it build goodwill and better friendships?
4. Will it be beneficial to all concerned?

I placed this little test under the glass top of my desk and determined to try it out for a few days before talking to anyone else in the company about it. I had a very discouraging experience. I almost threw it into the wastepaper basket the first day when I checked everything that passed over my desk with the first question, "Is it the truth?" I never realized before how far I often was from the truth and how many untruths appeared in our company's literature, letters and advertising.

After about sixty days of faithful constant effort on my part to live up

- 5 -

A GLIMPSE OF 50 YEARS OF ROTARY IN HUNTSVILLE

The Founder of Rotary

Paul P. Harris was a young lawyer in Chicago in 1905 when he got the idea of organizing a club of representative business and professional men, where the members might recapture the friendliness, comradeship and understanding of the small-town life many of them had known as youngsters. On the evening of Feb. 23 he called together three other men—a coal dealer, a mining engineer and a merchant tailor. Shortly thereafter the first Rotary Club organization was completed with six members.

Paul Harris named the new organization the "Rotary" club, because originally the members met in rotation at their various places of business. Membership in the new club grew rapidly and soon became too large to meet in the offices, so they got together once a week around the luncheon table. These weekly meetings, in connection with a luncheon or dinner, are now held by Rotary clubs around the world.

Membership in the first Rotary Club was limited to one active member from each business and profession, and this became one of the cornerstones of Rotary. From Chicago, Rotary soon spread to other cities in the U. S. A. The first Rotary club organized outside the U. S. A. was in Winnipeg, Canada, in 1910. In 1912, the International Association of Rotary Clubs was formed, and in 1922 this name was shortened to Rotary International.

Our new Rotary world President for 1967-68 is Luther Hodges, businessman, statesman, author and angler. You may remember his visit to Huntsville in 1963 when he was then Secretary of Commerce. He held this post under Presidents Kennedy and Johnson. He is a Past Governor of North Carolina and presently Chairman of the Research Triangle Institute of North Carolina, which he led into organization. His challenge to us this year is a simple but worthwhile program in four points as follows:

1. Get personally involved in Rotary.
2. Exercise leadership by being successful in your own business or profession.
3. Be loyal to your own community and nation and serve them whenever possible.
4. Keep informed and develop an understanding of the problems of other nations.

**Fifty Years of Rotary in Huntsville
HUNTSVILLE ROTARY CLUB
HUNTSVILLE, ALABAMA**

MINUTES:

NOV. 12, 1917

After several preliminary meetings, nineteen citizens were asked to meet at Hotel Twickenham, Nov. 12th, at 7 o'clock in the evening, for the purpose of more permanently organizing a Rotary Club for Huntsville. There were present: (See Charter Members.)

Joe. J. Bradley	W. L. Halsey	M. R. Murray
E. V. Caldwell	G. H. Heymann	T. W. Pratt
H. B. Chase	W. R. Hutton	J. H. Pride
J. P. Cooney	R. C. Johnston	Francis Tappey
Shelby Fletcher	W. L. Lyle	W. I. Wellman
E. R. Gill	Robert Murphree	B. L. Young
E. H. Grosser		

Aside from a delightful social hour and luncheon, the only matter of business was election of the following officers: Dr. Francis Tappey, President; Mr. Eugene R. Gill, Vice President; and, Prof. R. C. Johnston, Secretary-Treasurer. The newly organized club justly gave particular credit to Dr. Tappey, the newly elected president, for the large amount of work done of a preliminary nature to assure the safe founding of the Huntsville Rotary Club.

Agreement was reached to hold weekly meetings, Monday nights at seven o'clock, Hotel Twickenham.

There being no further business, the meeting adjourned.

Approved Rev. Francis Tappey, President

R. C. Johnston, Secretary

And so Rotary was born to Huntsville, Alabama, officially on November 12, 1917. Its Charter for affiliation with Rotary International was issued on April 1, and presented to the Club on April 15, 1918.

Today your Huntsville Rotary Club is a dynamic part of more than 613,500 men in over 130 lands in 12,700 Rotary Clubs associated as Rotary International. Rotary Clubs, which meet weekly, usually for luncheon or dinner programs, are each composed of a leading cross-section of the business and professional life of a community. With thoughtfulness and of helpfulness to others consisting its ideal of service, Rotary offers practical means of enlarging one's friendship, participating in community betterment undertakings, promoting high standards in business and professional life, and advancing international understanding, goodwill and peace.

The Huntsville Rotary Club is extremely proud of its members, both past and present, for furnishing outstanding leadership in every civic endeavor contributing to the betterment of our community as a place to live, work and raise a family. To this end Huntsville is a City of outstanding accomplishments.

The Huntsville Rotary Club has contributed leadership in hundreds of major civic projects which can be accounted for in the bound copies of the minutes of every meeting for the fifty-year period we are now celebrating. These documents are a wonderful source material of the problems of the day, and should be preserved in the Library System so as to be available to all Rotarians and Researchers. Projects that the Huntsville Club is presently sponsoring are:

- Rotary Foundation Fellowship Program
- International House—Jacksonville University
- Interact Club—Huntsville High School
- Hearing Aid Program—All elementary schools in Madison County
- Organization of Huntsville Council for International Visitors
- Boys Scouts Assistance
- Y M C A Assistance
- International Contacts

The privilege of service is unlimited to all Rotarians requiring only dedication to the "Object of Rotary." If our next fifty years of Rotary do as much for world understanding as the last, the prospects for exciting, wonderful developments are in store for us all.

Rotary Club 427 (F2)

ROTARY History

Photo by Culbertson
PAUL P. HARRIS 1868-1947

The Founder of Rotary

Paul P. Harris was a young lawyer in Chicago in 1905 when he got the idea of organizing a club of representative business and professional men, where the members might recapture the friendliness, comradeship and understanding of the small-town life many of them had known as youngsters. On the evening of Feb. 23 he called together three other men—a coal dealer, a mining engineer and a merchant tailor. Shortly thereafter the first Rotary Club organization was completed with six members.

Paul Harris named the new organization the "Rotary" club, because originally the members met in rotation at their various places of business. Membership in the new club grew rapidly and soon became too large to meet in the offices, so they got together once a week around the luncheon table. These weekly meetings, in connection with a luncheon or dinner, are now held by Rotary clubs around the world.

Membership in the first Rotary Club was limited to one active member from each business and profession, and this became one of the cornerstones of Rotary. From Chicago, Rotary soon spread to other cities in the U.S.A. The first Rotary club organized outside the U.S.A. was in Winnipeg, Canada, in 1910. In 1912, the International Association of Rotary Clubs was formed, and in 1922 this name was shortened to Rotary International.

Rotary came to Asheville in 1915, when it received Charter No. 152. This made it the third Rotary club to be organized in North Carolina, being preceded by those at Raleigh and Wilmington.

The Rotary Club of Asheville was honored by having Paul Harris, the Founder of Rotary, address our club at our Silver Anniversary celebration, Jan. 29, 1940. He spoke to us of the world-wide mission of Rotary, saying: "Rotarians have always been a stabilizing influence in countries where war is beginning or ending. Force cannot stop wars. Peace must be achieved through good will and understanding among men."

Rotary Club 427 (F2)

O. TED KIRBY

Governor R. I. District 767

Ted Kirby, our District Governor, is a native of Huntington, West Virginia, and attended public schools in Richmond, Virginia. He received a Bachelor of Science degree in Mechanical Engineering from Virginia Polytechnic Institute and a Bachelor of Laws degree from LaSalle Extension University. He is a registered professional engineer in North Carolina. He had engineering and sales assignments with General Electric in New England and Florida before coming to Charlotte in 1957 as Electric Utility Sales Engineer. Recently he has been made Vice-President and General Manager, of Concrete Materials Incorporated, Charlotte.

He has received the Rieger Award as one of the top ten Utility Sales Engineers for General Electric in the nation. He was named the Outstanding Young Man of the Year in Charlotte in 1962.

A past president of the Rotary Club of North Charlotte, Governor Ted was named in 1961 as the outstanding Rotarian of that club. He was chairman of the 1964 Dixie International Dinner at the Rotary International Convention in Toronto. He is married to the former Joan Goodrich of Pittsfield, Massachusetts and they have two children.

Rotary Club 427 (F2)

Our Members Who Have Served on R. I. Level

Four Asheville Rotarians have served on the Rotary International level. Our first representative was Fred Kent, who was elected Governor of the old 38th District serving in 1925-26. Chan Gordon was elected Governor of the 200th District for the 1951-52 term.

Two other Asheville Rotarians, who stepped from District Governor into directorships in Rotary International's Board were Robert F. Phillips, District Governor of the old 58th District, 1933-34, and Charles (Buzz) Tennent, District Governor of the old 190th District, 1943-44. Buzz, in 1956-57 reached the highest office attainable in Rotary International, the presidency.

Rotary Club 427 (P2)

CLYDE M. BLAIR and CHARLES F. AIKEN

Pictured above near the club's name-hadge board are two Asheville Rotarians who have given long and faithful service to their club.

Until his retirement last June 30, Clyde Blair had been the Club Secretary since July 1, 1947—a period of 17 years. During that time Clyde not only did an outstanding job as Secretary, he attended many District conferences and led the discussions of Club Secretary duties and obligations. He was also a club delegate at five Rotary International conventions.

Clyde worked for 36 years with the U. S. Indian Service of the Department of the Interior. He became a member of the Rotary Club of Arkansas City, Kansas, in 1922 and later was a member in Lawrence, Kansas, Albuquerque, New Mexico, and Sylva, North Carolina. He joined the Asheville Rotary Club in August 1945 after retiring from the Indian Service. On his retirement as Club Secretary last June, the Association of Past Presidents of the Asheville Rotary Club presented Clyde with a special plaque in appreciation of his long and devoted service to our club.

For more than 21 years Charlie Aiken has been our Sergeant-at-Arms, has collected luncheon fees, kept luncheon attendance records, and settled the hotel bills. He recognizes and checks in every member, both old and new. Charlie was connected with the Life Insurance business until his retirement 12 years ago. A member of our club since 1927, we owe a great deal to Charlie for his long and faithful service as our amiable Sergeant-at-Arms.

Rotary Club 427 (F2)

ROTARY INTERNATIONAL
OFFICE OF THE PRESIDENT
1100 RIDGE AVENUE, EVANSTON, ILL., U.S.A.

"ROTARY: Fifty Years of Service"

To the Rotary Club President and Secretary:

This copy of the "Golden Book," as it has come to be popularly known, is being presented to your club with the compliments of Rotary International. A great deal of time and effort has been put into the production of this souvenir volume commemorating fifty years of Rotary—and we hope very much that your club will be pleased with the book.

It would be appreciated if this gratis copy could be made immediately available to the other officers of your club and then exhibited or made available to all interested members.

In the words of the "Prologue," "The burden of this book is not an easy one . . . It strives to capture a spirit which defies words . . . and to dramatize by word and picture the upward pull and outward reach of men who call themselves 'Rotarians.' "

In this volume an earnest endeavor has been made to faithfully present the Rotary story as it relates to the organization's first fifty years.

Frances Cabaniss Roberts Collection

Preferred Citation: Frances Cabaniss Roberts Collection, Archives and Special Collections, M. Louis Salmon Library, University of Alabama in Huntsville, Huntsville, AL.

Collection Scope and Content: The Collection of 114 Linear ft. includes a total of 156 Archival Boxes. The Frances Cabaniss Roberts collection covers the historical records of the Cabaniss Roberts family. This collection contains extensive correspondence records of the Cabaniss Roberts family circa 1830 to 1930.

Archives/Special Collections Access Restrictions: None

Conditions Governing Use: This material may be protected under U. S. Copyright Law (Title 17, U.S. Code) which governs the making of photocopies or reproductions of copyrighted materials. You may use the digitized material for private study, scholarship, or research. Though the University of Alabama in Huntsville Archives and Special Collections has physical ownership of the material in its collections, in some cases we may not own the copyright to the material. It is the patron's obligation to determine and satisfy copyright restrictions when publishing or otherwise distributing materials found in our collections.

Provenance: Gift of Johanna Shields on October 28, 2006.
