According to the minutes of Helion Lodge No. 1, dated July 14, 1825, the following report was given on the contributions to the building fund:

*The report of the building committee to preside over the building of Eunomia Hall was read and ordered spread on the minutes- (here is listed the amounts paid by the individual brethren for the construction of the Lodge). The total cost of construction-- \$5889.12 1/2. The following amounts contributed to the building fund:*

Eunomia Chapter	\$769.64
Late Madison Lodge	\$391.88
Late Bethesda Lodge	\$851.12 1/2
Helion Lodge No. 1	\$363.65

Total = \$2369.29 1/2  
Still Due = \$481.65

Whole Amount Subscribed = \$3396.00

In addition to the first building with its grounds, Helion Lodge No. 1 also acquired the adjoining lot property. This appears in the Lodge minutes as follows:

*Helion Lodge No. 1 December 12, 1848  
Committee appointed to purchase adjoining Lot.*

*Helion Lodge No. 1 December \_\_, 1848  
Committee purchased lot from estate of William H. Pope, deceased, for \$305.00, payable in 1 and 2 years by Helion Lodge 1, Eunomia Chapter, and Eureka Council.*

five

Thus was completed the acquisition and construction of the first Lodge building for Helion Lodge No. 1, which was named "Eunomia Hall."

The furnishings of the Lodge were a combination of furnishings of the old Madison Lodge No. 1 and old Bethesda No. 2. To these furnishings were added the furnishings of Triana Lodge No. 29 (Triana Lodge No. 92 per old Lodge minutes prior to 1841), which were presented to Helion No. 1 in 1841.

The first edifice was used as a regular meeting place of the brethren of Helion Lodge No. 1 and the other associated Masonic Bodies. In addition, the first floor was periodically used to serve other non-Masonic groups. Reported from the minutes, a room was rented in Eunomia Hall by Mrs. Jane H. Childs for a school room in 1848-1853 (page 110 of the 1848 minutes). The Baptist Society also rented a room in Eunomia Hall in which to hold their meetings. The Jewish community used the building as well, as evidence is found in an announcement on page one of the June 16, 1897, (Huntsville) *Weekly Democrat*:

*The Masonic Temple, the lower floor of which is used as a Jewish Synagogue, is a victim of stone-throwing boys- sons of gentlemen- who have mutilated the building in a disgraceful manner, by throwing stones at it. The window-panes and blinds have been broken, and in some parts irreparably injured. These boys have been spotted as sons of gentlemen, and unless the gentlemen curb the stone-throwing propensity of their progeny and instil (sic) principles of meum and tuum with a paddle, they will have a fine to pay.*

General Meeting Minutes, December 2, 1990

2

c. Cemetery:

1. Maple Hill Stroll: President Jones reported on the success of the Stroll Through Maple Hill on 21 October and stated that the Convention and Visitors Bureau has asked that he prepare a full brochure. Some of the membership will be asked to conduct research of some of the people interred in Maple Hill. The Society will be looking at the cemetery for its historical importance as well as for the literature on some of the tombs.

2. Markers.

(a) Freeman: The Society wants to mark the grave of Thomas Freeman who is noted for his surveying work and for establishing the North Carolina-Tennessee boundary.

(b) Bankhead: The Society is investigating placing an Alabama marker to commemorate the birthplace of Tallulah Bankhead. This will be part of the celebration scheduled by UAH. We will need funds for this effort.

d. Future Programs: Soviet Union Seminar. In order to meet a deadline established by UAH, President Jones committed the Society to be co-sponsor without cost on our part for a spring seminar on the Soviet Union. Harvie Jones moved that the Society ratify President Jones' commitment; motion was seconded; motion carried.

e. Increase in Dues: President Jones told the general membership that the board voted on October 25 to increase the dues to \$10.00 for regular membership and \$18.00 for family membership, with their receiving only one copy of THE REVIEW. This will be voted on at the next general meeting.

f. Nominating Committee: The President announced that a nominating committee must be formed prior to the June meeting in order to present a slate of officers for the next two years.

g. Scholastic Award: President Jones stated that the Society needs to establish a fund to give a prize to young people to work in history. He asked that members think about how we can conduct a fund-raising drive.

Meeting was adjourned at 4 p.m., after which a social hour was enjoyed.

HHS - 4. Review Issues  
4D5 (11)

HUNTSVILLE HISTORICAL SOCIETY, INC.  
May 21, 1972

The Huntsville Historical Society held its regular meeting at 3 o'clock Sunday afternoon, May 21, 1972 in the auditorium of the Huntsville Public Library.

After welcoming members and guests, President James Record announced that the minutes of the last meeting, held March 19th, would not be read since copies had been mailed to the members. He also stated that henceforth, copies of the minutes would be mailed with the letters announcing the next meeting.

Because of the absence of the treasurer, there was no treasurer's report. The President appointed Dr. William McKissack to collect dues from anyone wishing to pay them.

President Record then reviewed the procedure for election of members to the Society and presented the new decisions made by the Board of Governors concerning new membership. This information is found in the minutes of the Board of Governors meeting of May 21, 1972.

The President announced that the plans for the marker to be placed at the Depot are now ready. He recommended that the Society, in conjunction with the Railroad Club, volunteer to help the City in any way possible with the building of the Railroad Museum.

On behalf of the Alabama Archaeological Society, the President invited members of the Historical Society to its meeting, which is to be held at Tuscaloosa June 24th and 25th.

Mrs. Wayne Smith introduced the guest speaker, Mr. W. Warner Floyd, Executive Director of the Alabama Historical Commission. Mr. Floyd gave a most interesting talk on the purpose and problems of the Commission. Three major concerns of the Commission now are acquiring funds for the construction of Constitution State Park in Huntsville, retaining the Governor's Mansion which is endangered by commercial encroachment, and retaining the State Capitol which, according to some lawmakers, is becoming too small. Problems of the Commission discussed by Mr. Floyd are adapting old buildings for new purposes, zoning laws, building codes, and projected highways through historic areas. Mr. Floyd devoted the latter part of his program to showing slides of Alabama landmarks which demonstrated the variety of historic places in Alabama, such as log houses, early Greek Revival houses, courthouses, banks, grist mills, and covered bridges.

At this time, guests were introduced. Among the guests were Mrs. Mildred Sanders and Mrs. Forney Fuller, officers of the Cullman Historical Society, who issued an invitation to Cullman's Centennial Celebration next April.

Copies of the new issue, Vol. 1, No. 3, of the Huntsville Historical Review were distributed to the members.

The meeting was then adjourned and a delightful social hour was held with Mrs. John R. Thomas serving as hostess.

Respectfully submitted,  
*Margaret H. Henson*  
Mrs. William Fenson, Secretary
