Dear Chapter Chairman:

I am enclosing a letter from the Chairman of the National Membership committee of the Delta Kappa Gamma which I thought should be passed on to you at this time. Please save the letter and include the information which she desires for my annual report on your blanks. Because of change of state chairmen last year, Beta State's report for 1948-49 was late and I hope we can avoid this another year.

At the workshop in Tuscaloosa, two recommendations were made by those who attended the meeting on Membership:

- (1) That chapter Membership Committees check their quotas and that these quotas be filled if qualified persons are available.
- (2) That chapter chairmen check their final reports with chapter presidents and chapter treasurers before turning them in to the state committee. Chapter chairmen should check to be certain that their active, (including life), associate and honorary members equal the total membership.

Did you get your copy of Beta State News which contained "Suggestions for Selecting and Voting Upon New Members" in time to act upon the suggestions this year? We shall be interested in knowing how the suggestions were accepted and how they worked out in the various situations.

Do you have someone in your area who is eligible for National Honorary Membership? In case you have, please let me know right away that I may secure the proper forms.

Should questions which you cannot answer concerning Membership arise in your chapter, please send them to me and I shall call upon the other members of the State Committee, our president or executive secretary, or on to National, if we are not able to help you.

I should like very much to hear from you concerning your committee work. What problems have arisen? How have they been solved? What plans have you for further work?

Most cordially,
Olivia Elder
