I regret that J.W. and I will be unable to attend the 50th reunion. J.W.'s 186th Hospital Unit is having a reunion in Evansville, Ind. during this time.

We seem to keep busy with our family. All three of our children live in Huntsville - John, Randy and Ginny Murray. We have three grandsons and one granddaughter. We have a condo in Orange Beach, Ala. where we spend a lot of time. John with other trips occasionally seem to keep us busy.

I wish all of you the best and look forward to seeing many of you on other occasions in Huntsville.

Jean Hines Green

Since our last reunion, Nelda has retired (I retired in 1985) and we have been able to travel some. Most of our travels have been in the continental U.S. but we did take an Alaskan cruise for our 40th wedding anniversary in 1982. We have taken advantage of these trips to revisit places rich in memories and to renew old acquaintances (army buddies and college friends). As these class reunions demonstrate so well, old friends are special.

Volunteer work and other activities keep me busy and out of mischief. I continue to volunteer at the Science Museum of Virginia working with children in the Computer Lab. I also enjoy working with my own computer. In common with most computer buffs, I am in the never-ending race with technology. I recently upgraded my system only to find that I am already two steps behind. I have been involved in church work as financial secretary and enjoy participation in the local Dupont Management Retirees organization and the ROMEO's (that's retired old men eating out). Family wise, our daughter, Carol, is married but our son, Bill, still isn't. No grandchildren and no pets, so Nelda and I are foot loose and fancy free and enjoying every minute of it. **BILLY SUBLETT**

Since the last reunion there have been a few changes. In 1991, I sold the engineering rep firm to the employees, and was suppose to retire. Ilda and I did spend a lot of time traveling. A considerable amount of time was visiting our son and two daughters, who just happen to have had two children each. With 6 grand children, I now know what the ravages of time can do.

Two years ago I started developing land for homesites. It leaves me just enough time to try and reestablish my golf game which disappeared 40 years ago and still hasn't returned.

Ilda and I still live in the same place.

Since last we met, we have moved back to Huntsville and have one great grandchild.		

ALMA MATER

Where the vale of dear old Huntsville
Meets the southern sky,
Mid the rustling of the tree tops
Stands our dear old high.

Chorus
School we love, high school,
Live for aye,
Our alma mater dear.
May thy sons be leal and loyal
To thy memory.

When the evening twilight deepens
And the shadows fall,
Lingers long the golden sunbeam
On thy western wall.

Chorus
When the shades of life shall gather
Dark the heart may be,
Still the rays of youth and love
Shall linger long over thee . . .

Since I did not comment before the last reunion, I'll be brief, and say I graduated from the University of Georgia in 1950, married Bill in 1951, worked in radio until Lee was born in 1953. Carol was born in 1956, and then I really did go to work raising two daughters. Bill retired in 1992. Since then we have traveled and spent alot of money. It is fun. We plan to do more of it.

BRIEF COMMENTS ON EVENTS IN MY LIFE SINCE MAY 91 REUNION.
(PLEASE TYPE)

The most important event since May 91 was the birth of Kaitlyn Connor Propes on November 9, 1994. I was in the delivery room. I am in the same rut - if you know what day it is, you know where I am.

Mon. - Red Cross volunteer (22 years)
Tues - bridge (probably 30 years)
Wed. - Bar Association (21 years). I keep up with 425 attorneys
Fri. - beauty shop
I guess I like my rut or I would get out.

We have enjoyed traveling to Hawaii, Europe, Chateau Lake Louise, the Grand Hotel on Mackinac Island, and many places in the U. S., especially Gainesville, GA (that's where Kaitlyn and her mommy and daddy live).

BRIEF COMMENTS ON EVENTS IN MY LIFE SINCE MAY 91 REUNION.
(PLEASE TYPE)

(I didn't attend '91 reunion.) As a Navy wife, I traveled to all parts of Europe - and to Asia - and my four children have been a pleasure.

My divorce was traumatic after 30 years - but - as our class has done - I have survived - and made lots of friends here.

I come to the "Drake" reunion every Aug. on Monte Sano - as Mother was a Drake. I enjoy hearing about all of you. Huntsville will always be first with me.

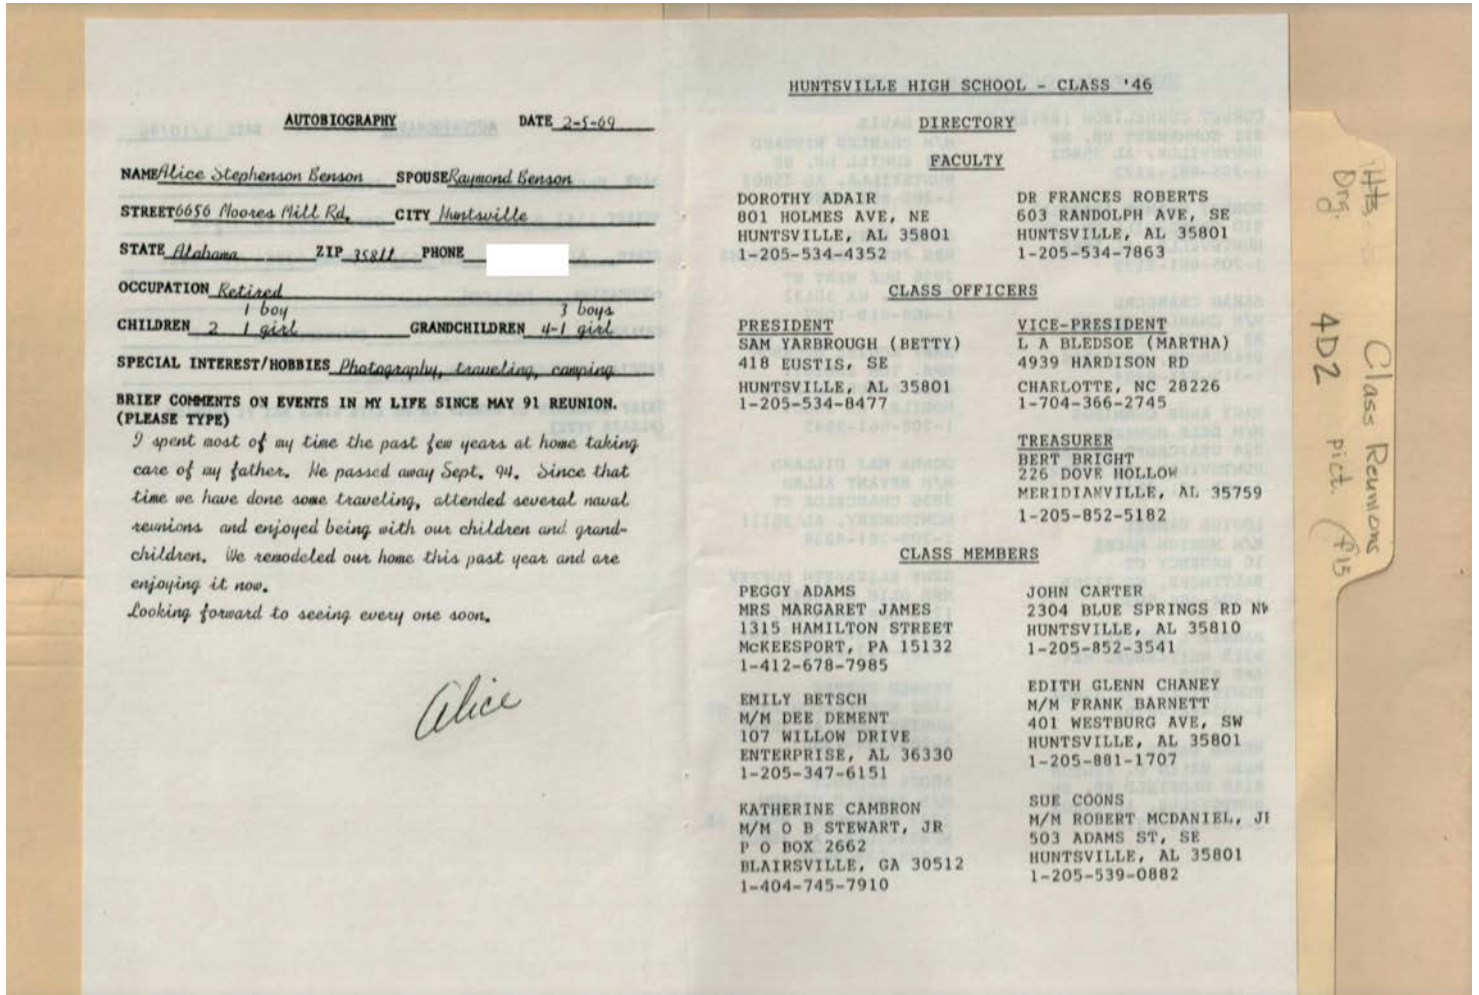

God Bless!

**BRIEF COMMENTS ON EVENTS IN MY LIFE SINCE MAY 91 REUNION.
(PLEASE TYPE)**

Since I didn't attend in 91 this is for all. After I retired from the Navy in '71 we moved back to KS and stayed 8 yrs. Moved back to area as parents up in years. Good thing as we were severly need 4 months later. Did the antique bit, shop, mall, and shows, shows were the best. My health went to worms and I spent several weeks in UAB. They must have done something right as I'm doing great now. We travel frequently to stamp shows and to visit the Kids and Grandkids. We are very active at the Huntsville Senior Center. Having a ball as I always did.

Dear Friends, I'm still retired and enjoying reunions - seeing and being with you. I have a new hip - its wonderful - so I'm still kicking! And I had another birthday on February 16th, that third storm of the season! Instead of celebrating at lunch with friends, I cooked my lunch and ate alone. We did celebrate the added year on Sunday, the 18th. That's all that's new!

<p>I retired from the library three years ago and have since enjoyed being at home with my husband, also retired. We have read dozens of mysteries together - he reads aloud to me most of the time. We read separately, too. We walk two miles everyday we can and I go to the gym close by two or three times a week. We are very low-key! We finally have a grandchild - three year old Jennifer - a major event!</p>

Upon our return Tom had to be rushed to the hospital and died two weeks later on November 25, 1995.</p> <p>Of our three children, our son Tom is owner of Elliott Consturction Co., builder of custom designed homes. His wife is Director of St. Paul's Middle School, Mobile. Their son, Christopher, will be 16 and son, Evan, will be 12 this year. Our daughter Melisa teaches kindergarten at Forest Ave. Elementary Magnet School in Montgomery, where her husband works for the AL Dept. of Environmental Management. My older daughter Laura (husband Bill, Catherine 5 and Will 8) still live in St. Louis - thank goodness for traveling vans and telephones. Amy (husband John, Rebecca 14, Caroline 10 and Michael 3) took this grandma and John's mother to Disneyland with them last summer - great time!!
