 Scotland and Ireland - coordinated
 through Martha & L.G. Rambo, Bill Mills ^{Mary E. &}
 this group toured Spain in March/94
 after a severe wreck in November, 1993 haven't
 traveled. ^{the} May, this year a vacation at
 Gulf Shores
 we visit our son, Steve and his wife and
 daughter in Arlington, Va. about twice
 a year, but haven't been this year -
 see daughter, Jimmy Lee with grandson, Evan
 & husband, Bonnie
 often, who live in Gallant, Al. - near Geddon,
 they have built a new home this year -
 artist daughter; Helen Sockwell runs in often as
 she lives on the place - has been to New

Class Reunions

Since the last reunion there have been a few changes. In 1991, I sold the engineering rep firm to the employees, and was suppose to retire. Ilda and I did spend a lot of time traveling. A considerable amount of time was visiting our son and two daughters, who just happen to have had two children each. With 6 grand children, I now know what the ravages of time can do.

Two years ago I started developing land for home sites. It leaves me just enough time to try and reestablish my golf game which disappeared 40 years ago and still hasn't returned.

Ilda and I still live in the same place.

Looking forward to seeing everyone

Class Reunions
4D2 pict. #15

Thank you so much for remembering me with an invitation to your class reunion. Curtis enjoyed the ones we attended so very much.

Although I know you would all make me feel welcome, I do not plan to attend.

(The date of his death was Aug. 23, 1993.)

Thank you again.

Sincerely,
Margaret A Honey

ALMA MATER

When the vale of dear old Huntsville
Meets the southern sky,
And the rustling of the tree tops
Stands our dear old high.

Chorus
School we love, high school,
Live for aye,
Our alma mater dear,
May thy sons be true and loyal
To thy memory.

When the evening twilight deepens
And the shadows fall,
Lingers long the golden sunbeam
On thy western wall.

Chorus
When the shades of life shall gather
Dark the heart may be,
Still the rays of youth and love
Shall linger long over these . . .

BRIEF COMMENTS ON EVENTS IN MY LIFE SINCE MAY 91 REUNION.
(PLEASE TYPE)

Since I did not comment before the last reunion, I'll be brief, and say I graduated from the University of Georgia in 1950, married Bill in 1951, worked in radio until Lee was born in 1953. Carol was born in 1956, and then I really did go to work raising two daughters. Bill retired in 1992. Since then we have traveled and spent alot of money. It is fun. We plan to do more of it.

| <p>One of the most exciting adventures of these years since reunion was finally getting a daughter-in-law. Brenda is a most welcome addition to our family. She came with her daughter, Jennifer, to complete our family. Jim & Brenda are now living in Orange Park, FL and I do miss them - but its a lovely place to visit! My older daughter Laura (husband Bill, Catherine 5 and Will 8) still live in St. Louis - thank goodness for traveling vans and telephones. Amy (husband John, Rebecca 14, Caroline 10 and Michael 3) took this grandma and John's mother to Disneyland with them last summer - great time!! Duffy and her husband Keith have not yet contributed to the grand-child bank but I've asked for that for Christmas.</p> <p>I've served on the pastor Search Committee for Church and traveled to TN, KY, FL, Okla, ARK and was rewarded with a terrific fellow from TX (a native of Birmingham).</p> <p>I'm still enjoying life!!</p> | |
