will, no doubt, attend modernistic educational institutions and some of them will probably lose their Christian faith, and

WHEREAS we, the members of the Board of Trustees of Bob Jones College, believe it is God's will for the college to expand and if our Lord should tarry prepare to accommodate in coming years not only hundreds, but thousands of young people who desire the type Christian education, Christian culture, and Christian training which our college offers, and

WHEREAS the Church of God which has its headquarters in Cleveland, and a denomination that believes the Bible is the inspired Word of God, needs the Bob Jones College property for its own expansion program, has offered to buy the college plant for the sum of \$1,500,000 with the understanding that Bob Jones College may occupy the property until it has time to construct a new college plant in some other community;

THEREFORE BE IT RESOLVED, First, that Dr. Bob Jones, Sr., Dr. Bob Jones, Jr., and Mr. R. K. Johnson are appointed an Executive Committee on Expansion and are authorized by this Board to sell the plant of the Bob Jones College to the Church of God, or otherwise to dispose of the said property, in whole or part, as the said Committee may find is best under the circumstances; and the execution of such conveyance, or conveyances, as may be required is hereby authorized.

Second, that the said Executive Committee on Expansion is authorized to select and acquire a location which it considers adequate for the present expansion plans as well as for all future expansion plans as the Lord may lead.

Third, that the said Executive Committee on Expansion is authorized to construct, at the earliest possible moment and proper under the circumstances, a modern, fire-proof college plant, the first unit of which will accommodate a minimum of 3000 students.

Fourth, beginning with the school year 1947-48 that Bob Jones College expand into a Christian university and its name be changed to Bob Jones University.

Fifth, that it is our purpose to make this university a center of the highest academic standards and Christian culture to which carefully-chosen young people will come from all parts of the world and receive their training and from which these trained Christian leaders will go forth to render service to our Lord in all corners of the globe.

Sixth, that the university give special emphasis to the fine arts, the Bible, missions, evangelism, pastoral training, history, journalism, Education, Christian Education, theology, international relations, the social sciences, and languages both ancient and modern including some not usually found in a curriculum such as Chinese, Russian, and Arabic.

Seventh, that the university in both its graduate and undergraduate fields continue the practice which Bob Jones College has always followed of offering music, speech, and art without additional cost above regular academic tuition.

Eighth, that we call upon Christian people everywhere not only to join us in special prayer for the blessings of God upon the plans outlined in these resolutions, but request them in co-operate with us financially in the carrying out of these plans for the glory of the Lord Jesus Christ whom Bob Jones College is sincerely endeavoring to serve.

The following letter gives the basis for the decision of the Executive Committee on Expansion to locate Bob Jones University in Greenville, South Carolina.

Bob Jones College  
Cleveland, Tennessee  
April 25, 1946

Mr. K. B. Miles  
Executive Vice-President  
Chamber of Commerce  
Greenville, S. C.

My Dear Mr. Miles:

Since April 4, 1946, when the Board of Trustees of Bob Jones College appointed Dr. Bob Jones, Sr., the founder of the College, Dr. Bob Jones, Jr., acting president, and Mr. R. K. Johnson, the business manager, as an Executive Committee on Expansion to sell Bob Jones College property and locate a site somewhere and build a plant that would accommodate 3,000 students, and expand the College into a great Christian university beginning with the school year 1947-48, the student body, the faculty, and thousands of friends of the institution in many parts of the world have been praying definitely that the Spirit of God might direct the Expansion Committee in the choice of a location. The rather unusual circumstances leading up to our recent visit to Greenville and the observations we made while there, and the developments since we returned convince the members of the committee that it is God's will for our institution to accept the invitation of the Chamber of Commerce and the other friends in Greenville and move the institution to your wonderful section and expand it into a great Christian university.

The decision of the committee was based, first, upon the fact that your city is the center of a great population of typical American people, most of whom have a conservative religious background and are also progressive and responsive and have a forward look.

Second, you have a satisfactory all-year-round climate.

Third, you have adequate transportation facilities for our needs.

If things come out as I wish, I am going to buy a car this summer. If I do, I am going to stop by to see you. Mr. Roberts says he knows everything about Gainesville since he was old enough to remember, so I want to know everything I can find out. I didn't realize that I was so fond of history until I started making a scrap book for the U.D.C. Ladies several years ago. I am still most ignorant about our Ala. History, but I have enjoyed the review and pamphlets that have been sent me. Alabama is a wonderful state and has some fine people <sup>(I enjoyed your daughter in it.)</sup> in it.

The Dallas County Historical Ass'n will have a tour to the Pleasant Hill community July 16th. I think that is the date. Didn't you come from that section? If I had more than just one room, I would like to have you as my guest. As it is if you should come to visit one of your relatives and I am not away on my vacation I would be so glad to have you go with me. This is a terrible way to invite anyone, but I visit my <sup>family</sup> as usually the month I visit my

Sunday

Dear Mother,  
I meant to get you a  
box yesterday but I couldn't get  
the purse that I wanted for  
you so will just wait and  
send it with a Father's Day  
present for daddy.

We have the local historical  
association meeting here this  
afternoon as you will see from  
the clipping.

The center has a good  
summer enrollment. I have three  
nice classes and some interesting  
people in them, from high school  
graduates to a Colonel in the  
Army. We offer a T.I.E. program  
to the boys out at the Arsenal  
and all the officers who do  
don't have 2 years of training  
are working toward their  
degrees.

Roberts,  
Mary (Watson)

1930 5A1 9  
1956

These were happy days and I think of you  
all often -  
All my family enjoyed seeing and hearing Frances  
Of course you know how very much they  
enjoyed it -  
We are all just fine and I do hope all  
of you are well - Surely was sorry about  
the fire. It was so tragic -  
Bill is off today and we are going to  
town so I must hurry -  
All my family join me in sending  
much love to you all -  
Devotedly yours  
Eva  
I can imagine how glad Mr. Richard  
and Mrs. Virginia were last night as well as  
yourself -

to Mary W. Roberts
