I went out to your place yesterday evening and I'll give it was no pleasant ride as since is rising very fast and there is a prospect of a big overflow. The hands in place have a good start in the field that they can gather for the back water will be over it by Sunday. It has rained here and since last night almost continuously and is still raining. We will have dull times here for the next two weeks certain for probably some come to Texas in a current of high water. I have sent to Mr Solomon for your dress & trimmings and the Baby's Cloak. He will send them to you by express. I write to your father a sheet for you to sign and return. As soon as you are able to sit up say the justice of the Peace that takes your acknowledgment. Your father will show you when to sign. A vacant must be left for the justice to sign here. If the justice looks better Houston will be a bad time for his marriage. Mrs. Church is better. Baby says she is waiting mightily anxiously to see the baby. She will make the best for the child as soon as you find out whether you can get from Mrs. Snedcor. Mrs. Snedcor has a Cousin from Texas visiting her. She is an invalid. I had Oysters for supper & tonight. and they were powerful good. The Orange Books Charles sent have not

I was afraid to go out
 as I was not feeling very
 well. I hear that the doctors
 is looking very feeble -
 Carrie Sillimore is better
 I don't think any of the Godfrey
 Children have the whooping
 cough any worse than other
 children have it. We had
 a big rain last night and
 the weather has turned much
 colder this evening. It is clear
 to night, but I don't believe
 it will remain clear long.
 I went over to the thicket
 place last Monday - to
 measure the cultivated
 land, but did not finish
 I commenced checking for
 Mark Rogers yesterday. I
 have not contracted to
 stay any specified time
 with him. I only get fifty
 dollars a month. But I was
 so tired of doing nothing
 that I would have taken
 less rather than to be out
 of employment. I reckon I
 will not be able to come
 to Gainesville next month as
 intimated in a previous
 letter. The stores will
 close to-morrow from
 11 to 12 o'clock - for thank-
 giving, services in the
 Presbyterian Church.
 The Mayor is on another
 tour. He has been going it
 rather strong lately. I
 wish I could have seen
 the baby in the basket of
 leaves! I've don't know how
 much I want to see you
 soon - for the way I love
 you is a caution and
 no mistake. I had

 Ed Sholl left for Mobile

 that are visiting from
 Livingston. Mr Goodloe
 came back from Birmingham
 last night. He says that
 they are going to commence

 Woodruff is talking about

I saw Mrs Christian

is like, and I just want
to see Virginia bad enough.
I recieve her some papers
that I took from a trunk
that Miss Sallie Whitsett sent
to Buck Parham yesterday.
I saw in the Montgomery
Paper to night, that Mrs
Weakley had died in Nashville
and had bequeathed all her
property to Miss Fanny Donegan.
I hope it is enough to keep
Miss Fanny in good circumstances
the rest of her life, for she
deserves it. I also saw that
Mr Campbell had bought the
Donegan house, for \$6,500.
which is mighty cheap.
Dr Parham is going to Birmingham
to succeed to attend the
Medical convention. Mrs
Parham is going home with
Mrs Peterson, to spend a
week or so. I recieved a
letter from Brother Charles
yesterday, his health is not
very good. I was glad to
hear that Sep was better.
The evening party left
for Fayette Court House
yesterday on the Boat.
With the exception of Frank
Snow and Ben Cameron
they will go to morrow
to Centon and act in the
play that the "Amateurs"
are to render in Centon to-

this evening that Mrs

leading actress was sick
in bed, and would be
unable to go. I went out

all day yesterday. The river is rising rapidly along and I am afraid we are going to have high water again. It is perfectly clear to night. Will Whitsett went off to day with Frank Snow and Ben Cameron to join the surveying party. I don't know what they want with him - and I do not believe they do want him. He gets drunk everytime he can get any whiskey. It was told that he was drunk when he left this evening. I am glad that Miss Fanny Donegan has had some money left her. Dr Sholl & Dr Parham have gone to Birmingham to attend the Medical Convention. Dr Williams is in Mexico and there is not a single doctor in town. If anybody gets sick they will have to do without doctors this week. I will look out for a Cook. I am not very sorry that Betty has concluded not to stay with us. She seems to be afraid that she will have to do a little extra work. I don't see why the work should be any harder in the future than it was when she was here. I have no idea of keeping Easy here any longer than you stay away - so don't worry yourself on that subject. I received a card from Mrs Gill today offering to rent me her piano for one dollar a month. That

Home. Capt McEachin of
Tuscaloosa came Friday -
He stayed with me while he
was here. He left yesterday
evening. He sent his plea-
se for two hundred dollars to
some negroes. I like him
very well. He promised to
come back next fall and
hunt with me. He tried
to buy Rex from me, but I
could not part with him.
I went hunting a few days
ago, and a partridge flew
up before me, and I shot
away at him and shot
Rex, only two shot however
let him. I did not see
him when I shot. He was
not hurt much, as he is
well now. Jim Fulton was
with me, we killed sixteen
birds and three rabbits -
One of my half Jersey heifers
out at Tom Longs has a
three quarter heifer calf - Tom
says it is beautiful calf.
I will have her brought home
this week. I must sell some
of ~~my~~ cows so we have to
many of them. Capt McEachin
was mighty pleased with
one of the heifers I brought
of Capt Trimble, and well
he might be for she certainly
is a beauty and it will not
be many days before she has
a calf. It commenced
raining last night and
rained until about church
time this morning. I did
not go to church today. Mike
Goodson is better. I am the
chances are he will get well

The singing was exten good and the column was also a good one. Mr. Morse will be absent for the next three Sundays and he intimated to day that that he would probably leave here soon after his return. Dr. Parham and his wife got home yesterday from the Exposition. They only stayed three days and a half. Sam Jones is in New Orleans also. I asked the Doctor if he saw Mary Morrison while he was in the City. He said that he never saw a single person that he knew while he was there. Mr. Carl McMahan and his Sisters were there at the same time and he never saw them. I have written to two different friends about a Bedstead. The following bed I wrote you about has sailing to prevent Children from rolling out. Tell Virginia that I expect to come after you some time about the 6th of May. and I want her to learn to spell a good many words by them. Pet has about got well. I don't think he will Jolly yesterday & went after her to see her if she could. The little son I thought of that Lucy is improving in her Milk. She gives two gallons a day and I believe when the grade comes out she will give me three gallons. Mac Struve buys two quarts a day. I wish we had another Customer of the same sort. I hope Bud will be cured by his visit to Montgomery. I am sorry he could not come.

another nurse by this time. I received the "Independent" last Sunday and enjoyed reading it very much. Who was elected Mayor? I hope Mr. Mastin was. He has had considerable rain since Monday night. And the rain is rising right along. It is clear and cool tonight. I have a cold that troubles me a right smart, but am a little better tonight. Mrs. Godfrey has another son born this morning about breakfast time. Her Parney is with her, same last week. Buck Parham is out of a situation. He is here. I expect to get another place soon. Our garden is looking first rate. The bush Rotatives are up and growing nicely. I sent you a "Report" last week. Will send you another to-morrow if I can find it. I enclose a picture of Richard. John Rogers stayed with me last night. He has an awful bad cough. I don't think he slept but very little during the night. I have concluded not to buy a folding bed, and will buy a Walnut Bedstead with hinges to let down the sides with. Jo Schiffman has brought a big stock of goods and has some very pretty ones. A large freight was put off here yesterday by the Boats. They brought flour from Mobile to Gainesville for ten cents a bbl. I did not get the flour I ordered last week. The Party we ordered

like writing you a long
letter. For love birds sit in
my heart to night. And
wither their glorious lays.
I love her. She loves me. They
sing in delight. While the
sun light drowns our playground
my darling wife I just
love you a heap and no
mistake, and I will be
glad when you and the
little darlings come home
again. We had a good rain
night before last and to
day has been cool and
pleasant. I took a walk
out on the old Rail Road
Track this evening and
wished you had been
with me. Miss Fannie
Winston's school begins
to-morrow. A Miss Tankersley
from Livingston will teach

music for her. The Presbyterians
expected to begin a protestant
meeting yesterday, but the
Minister sprained his ankle
and could not come. He
will be here as soon as his
ankle gets well. There was no
preaching in town to day
at any of the Churches.
I hope Mr Moore will do
a good business when he
opens. I am glad you
reminded me of the
bagging for I had forgotten
all about it. Herbert
Windham told me they
were looking for Creston
here but he has not come
yet. Mr Windham is still
talking of going to Birmingham.
My Man is looking fine
You will be sure to be
pleased with her looks
