small lots & thus far today we do not
hear of any demands, except two parties
who are on our list. If they make
decent offers we shall close, because
the account from the Country and
coming in favourably & there is a
strong probability that before
Saturday night freight ^{will be} ~~is~~ up to
3/8. We have waited for three suc-
cessive Steamers, all of which have brought
an advance, yet our market does not
advance & we are afraid to wait longer
We believe parties would like to have the letters.

Dear Sirs We had this pleasure on the 21st ulto
to have since received your favour of 30th Jan
& its contents.

We sent you a statement of the Account
of the Old into New Concern - We shall be
particular in making up the interest on the
Accounts & expect to find no difficulty in
making them correct.

Proves of the sale of Cotton claimed by
McCrory & Cloyd stand as expenses Account
on our books, you can pay them.

Yesterday 7th Dec we sold a high spec^s
of Cotton @ 13 1/8^{cts} - this price is 1/8^{ct}
better than the best price paid after the
arrival of the Meteor - this morning the
America's Account, we received & have com-
pletely unsettled the banked & we have heard
of no sale today. This decline is quite
unexpected, & a low looking for an advance.

Mr Fearn & Mrs Steele arrived yesterday - The

Dear Sirs

We had this pleasure on the 1st inst & have since received your favour of 28th with state contents

Robinson has written relative to the box of goods & sent a list of the contents - when Mr Hanna came to the office we will send you the particulars - he has the paper put away & is sick

The bale of Cotton received from Parley Wilson & Co for account of Mr Jordan was returned in the 1st bale of 11 bales, 19th March - 66 bales were received & sold for his account.

The enclosed balance sheet & your best current, balance at debit mention thousand four hundred & ninety three dollars.

The debt to S. D. Seltzer is an advance we have made on 10th bale Cotton, with a margin of 1st 1/4 to be kept up all the time.

Yesterday there was a fair demand for Cotton & 2500 bales were sold - prices have declined 1/8th to 1/4th. The fleet from the Country you mention in little than favorable.

Send it to you.

Yesterday the Niagara's letters came to hand & although they brought $48 \frac{1}{2}$ ¢ per bush decision yet they brought news, which together with now unimprovable accounts, respecting the crop from certain sections of the country gave an impulse to the demand, which resulted in sales of 3000 bales - prices $12 \frac{1}{4}$ ¢.

We hold a list of 656 bales @ $12 \frac{1}{4}$ ¢ valued - in it were the Cotton of Estate of R. Horton 78 & J. & J. B. Robinson 43 - which please advise of - This sale gives us over the highest quotation of the season - We have two lists of Alabama on the table that we are offering.

The restriction has not been taken off scrap from Cotton yet - the last advice we had, was to hold for further news.

Yours truly

We forwarded the Tallyrand a few days since, a box addressed to D. Fearn containing a thousand cigars - 500 for himself & 500 for a present to Mr Geo Beirne.

New Orleans 26 July 1850

We had the pleasure on the 24th inst
 I have since received your favour of 18th inst & with
 content - the entries & prices have been made.

We had accepted C. B. Percy draft in favour of
 Smith & Shotwell as we had promised him his
 bagging traps - the draft was for eight hundred
 & fifteen in stead of six hundred dollars.

There was the account of A. C. & W. A. Austin, sent
 you was incorrect - Mr. Burke's account sale of
 20 bales Cotton - we now enclose continuation
 of the account, showing a balance due us of
 twelve hundred dollars. We also enclose
 receipts & account of J. B. Robinson, balance as owing of 1296.55
 do do E. H. Robinson " " " " 47.98
 account amount W. W. Horton (drawn on him here) debit 126.84

The Cotton market has been extremely dull since
 our last reports - no buying whatever, except for
 very small parcels, & not much for them. This
 morning we have the Atlantic account reporting a
 further advance in the Liverpool market, which
 we hope will give some impulse to the demand - as
 yet however there is no movement.
