Dr Fearn

Please make the best arrangement you can with Benj. Harris. I presume Tate will be glad to see in the end for the suggestion of he will give us credit & Hill with a good answer for the other it is probably best better than. unless he give a good answer don't make the arrangement for. I cannot trust him for any thing. He is not properly disposed thus but himself to others to cheat me out of the bill.

I am truly sorry to hear of the accident to Dr Patton hope that it will not be serious. you can say to Mr Bevine I made an arrangement with Mr H Robertson. It was understood between him Mr Bevine for & Jamar that his crop was to pay it & I think he gave a bill on it for that purpose say to Judge Jackson he writes to give his business by the Bill of Missis. office.

Andrew Bevine is here & expects the Union down next week. A letter to Mr Bevine this morning announces that he is a Sevier Pa. can have permission to pass south & not let the cut out of the Bay.

Had a letter from St Colman yesterday says he has let a draft on Dr Harnett for my Pennic bill. Has sent it to Washington City for collection & expects to receive a draft from Harnett and his others about here for the unit. we have a Bill Lading from the morning for

Yours truly
