Mobile, Dec 4th 1839

Dear Sir - I intended to have addressed you before this upon the subject of a settlement of the claim of the estate of Mr. L. S. Leavins dec'd, and closing with your proposition, but upon reflection I concluded to see and advise with Mr. T. B. Seavins.

We have concluded upon the subject - I stated your proposal to refund the amount you originally received, say \$750 and the interest, making near or about Three thousand dollars at the time of our interview, that you stated the times to be too hard to pay in Cash, but that if we would take the amount in stock you would close it.

We have concluded to accept the proposition provided you put the stock down at Cash price, and as we are desirous to have the matter closed without delay, you will confer a favor by acknowledging the receipt of this, and stating the time that will be convenient to meet for a settlement.

Will you be good enough to inform me whether and at ^{what} price for you you would keep the stock we may receive, as it may be expected to dispose of it at very early date?

Be kind enough to afford me some idea of the prices of fowls, geese, &c. and to forward me two or 3 of your Circulars.

As it may not be convenient for us or Mr. Leavins or myself to go up to Huntsville, we will, as soon as we hear from you, either go, or ~~appoint~~ an agent.

My respects to your family, to Brother, and
 except the appearance of my
 very great respect
 Thos. J. Seavins
