HEADQUARTERS UNITED STATES ARMY MISSILE COMMAND
REDSTONE ARSENAL, ALABAMA 35809

AMSMI-G

2 May 1969

Mr. David Christensen
University of Alabama Research Institute
P. O. Box 1247
Huntsville, Alabama 35807

Dear Dave:

I have inclosed copies of all ABMA organization charts which were retained here as well as one copy of the monograph on the Redstone missile, in accordance with your request yesterday.

I regret that the Jupiter missile monograph is a classified document. I suggest you include it in your letter to the Army Chief of Information requesting access to classified information from Army files for the research you are doing under NASA contract.

2 Incl
Organization charts
Redstone monograph

Sincerely,

A handwritten signature in cursive script that reads "Dave".
