SUBJECT : Release of von Braun letter to Vice President,  
April 29, 1961.

Attached hereto is a copy of a letter written by Dr. Wernher von Braun to the Vice President of the United States, April 29, 1961, outlining his views on a space program. This copy has been edited in accordance with your recommendations contained in your memorandum to the Assistant Administrator for Public Affairs, dated July 2, 1968, and on a copy of which memorandum Julian Scheer has handwritten his concurrence. I understand that this copy will be released to Professor Logsdon of Catholic University for his use in preparation of an historical document.
