Dear Mr. Spatz:

The University of Alabama Research Institute has been awarded a NASA contract (NAS8-21321) to perform a comprehensive history of the Saturn program.

In connection with this effort, we would appreciate receiving any documentation from you which you feel would be of use to us in the preparation of the history.

Thank you very much for your assistance.

Yours very truly,

David L. Christensen  
Documentation Coordinator  
Saturn History Program
