CUCA COCOA CHALLENGE CUP.**

New Southgate, N.
Gentlemen, August 1st, 1892.
I have great pleasure in stating that I have taken your
Cuca Cocoa since I went into training for the 24 Hours Path
Race. On my long rides I always use your Cuca Chocolate,
and did so during my race; I also never find it makes me
thirsty as ordinary Chocolate does. I therefore consider your
preparations most valuable to all Cyclists and other Sports-
men. My condition at the time of the great Challenge Cup
Race proves that I was not mistaken. Yours very truly
FRANK W. SHOBLAND,
