Mr. Allen Northington
c/o Ala. Farm Bureau Cotton Ass'n
Montgomery, Ala.

Dear Sir:

We are contemplating marking some of our cotton through your Association. Article Two of your agreement states that the grower agrees to sell and deliver to the Association all of the cotton produced or acquired by or for him in Alabama during the years 1930, 1931, 1932, and 1933, unless he notifies the Association before March 1st of the year during which he wishes to withdraw. As this is after March 1st, how would this apply in this case?

Thanking you for a prompt reply, we are

Very truly yours,

Gentlemen:

We have your favor of the 6th and are very much pleased to note that you are thinking of marketing some cotton through the Association this season.

Mr. J. B. Mitchell or Mr. T. H. Giles either one can give you any information you wish about pooling cotton with us, and we will be glad to handle any cotton for you that was grown on your farm and make the government advance up to 15.64¢ Middling basis.

If you join the Association at this time you would be obligated for the 1930 cotton, and the right to withdraw would not apply until January 1931.

With best wishes, we are

Yours very truly,

Allen Northington
Secretary-Manager.
