DEAR SIR:

Your favor of _____ received with

enclosures as stated.

Dear Sir

Yours 18th with inclosure of \$6036.⁰⁰ received & inclosed find my receipt for same, I did not send you the Certificates as the interest is payable every June & Dec & to collect same you would be put to the expense of paying express charges to send forward & backwords twice a year as the interest payment must be stamped on the Certificates, until they issue a Coupon Bond for the same, there is 20 or 25 dollars due on each certificate on Dec 1st. Either 2 or 2 1/2 per cent my best information is that they will pay 2 1/2. I have transferred them from my ac^t to yours, they are just as safe with Stein Bros as if in your own Box & I hardly think you want to pay express charges on 16 Bonds continually, whenever the Bonds are issued will send them to you, I duly note your Cotton Comments have a selling order at 7.30 anyhow & take chances to go in again

Yours
