Mrs. Ida B. Dallas,
Nashville, Tenn.

Dear Madam:

I have yours of the 18th inst.
There were no dividends paid on Oct. 1st, 1912
and the possibilities are that there will be
none paid on January 1st, 1913.

The property of the Company is being
repaired and painted and the amount so expended
leaves no surplus for dividends at present.

Yours truly,

President & General Manager
The Huntsville Land Co.
