Mr. Oscar Goldsmith,
Huntsville, Ala.

My dear Mr. Goldsmith:-

I appreciate very much indeed the thought that prompted you to write your letter of the 24th instant, which came to hand this morning.

We sold this lot in 1916, so I presume that any taxes for the year 1917 should be paid by the present owner.

We have had an offer for the stock which we hold in the Huntsville Land Company, which I have advised my wife not to accept because of my recollection of the information gathered from you at the time I was in Huntsville looking over this property, and the feeling that, as long as you gave any attention to it, it was in the best of hands.

If you will be so good as to write me a line or two in regard to the property, at your convenience, I assure you it will be greatly appreciated.

With best regards, I am,

Yours very truly,

H. Blair-Smith

Mr. S. M. Milliken,
New York.

Dear Mr. Milliken:

I have your favor of the 19th inst.

The 80sshares that Mr. Smith wrote about is the stock belonging to the Huntsville Land Company.

We are receiving bids for this stock, and from present indications, it will be sold at a higher price than one thity a share . If the price is not too high, I will buy this stock for myself.

Mr. Rison has intimated that he will take a part of it.

With kindest regards, I am,

Yours very truly,
