My dear Dorcas. Jan 14/29

I am just over
an attack of "the Flu" & we
only heard of your sad
bereavement, from Sam a
couple of days ago - To
know Betty, was to love her.
She was a wonderful wife
and mother & surely left a
host of mourners, & I know
it must have been a
shock to you all. Addie &
I extend our sincere sympathies

to you to Lawrence & to
Theresa. - You must excuse
this scrawl, for I am just
over an illness, which though
very weakening, has left no
other ill effects.

We (Addie & I) hope
you will find consolation
in the memory of a beautiful
& worthy life, which has passed
away & with best wishes
for health for you & your
children I am with love
from Addie & myself

Your Sincere Cousin
