

Tues. Night

Dear Papa Bear -

Just a line to
let you know that I'm
still bumming around.
I feel much better
since I've had my
tonsils out and I've
even gained $8\frac{1}{2}$ lbs.
which is not so bad for
me. I hope to
weigh 135 lbs before
the summer is over
(I weigh 126 now.)

I sold a refrigerator
today and hope that

This will start me
off to selling quite
a few of them. I'm
no salesman but I'll
just have to learn
how to be one, if
I don't expect to starve.

Mother told me
to tell you that
she got the thread for
Aunt Lillie at Loveman
and sent it to her
today - If it doesn't suit
send it back for
its the best she could
do here. She also

said that this letter
would have to do for
her tomorrow as she
is pretty busy. I'm
glad she got to go to
New York as she had
a wonderful time,
thanks to you; and
that was what she
needed.

I am inclosing
the Bill from Dr.
Patton for the towels
and its a little
less than I expected

it to be. I haven't ever
so much for taking
care of this for me.
it certainly helps out
a lot. I can take care
of my dentist bill and
everything will be O.K.

Give my love to
Aunt Lillian & Lillian
Your loving grandson
Oscar
