Dear Folks:

Just a few lines to ad
to Therie letter.

Am sorry that Papa Oscar
is still troubled with his
cald. but think if you had
men to come up here for
a few days he would soon
get rid of it.

Yesterday and today were
ideal Spring days. the roads
are wonderful and driving
is surely a pleasure. wish
you had could have been
with us yesterday.

I am sure Edward had
a pleasant visit and that
you enjoyed each other. wish
I could have seen him.

Lots of love to you all
