Mr. Oscar Goldsmith, Ex.,
City.

Dear Sir:-

The Clerk of the City of Huntsville has filed with me the list of assessments showing the property owners who owe for improvements made on Jefferson Street, and who have failed to pay the same within the 30 days as by law provided. Your name appears on this list, and the assessment against you amounts to \$629.23. Will you kindly call at the office of the Clerk of the City of Huntsville, at your earliest convenience, and adjust this amount with him, so that he may make the proper entry on the records, and upon settlement of this claim satisfy such lien as may be against your property by reason of the assessment made, and oblige,

Yours truly,
R. E. Smith - City Atty.
