Mr. G.H. Milliken, President,

New York, N.Y.

My dear Mr. Milliken:-

For the past day or two I have been thinking about the disposition of the Treasurership of Dallas and thought perhaps you would write me as soon as you conveniently could, after your return to New York, what your idea was concerning the position.

The Directors could hold a meeting here provided two of them came to Huntsville, or a meeting could be held in New York with one director coming there. I can come at any time you desire to call a meeting. Or perhaps it may be your wish that the matter lay over until the regular semi-annual meeting in June. In which case I could hold on as Assistant Treasurer until the successor to Mr. Rison has been elected.

You may consider myself as an applicant for the position.

Everything is going along nicely here. If we were shipping out a larger quantity of goods we would be better pleased.

Hoping to hear from you at your convenience, I am

Sincerely yours,

---

Assistant Treasurer.

Mr. Oscar Goldsmith,

Huntsville, Ala.

Dear Mr. Goldsmith:

In further reference to your letter of some days past, in regard to the treasurership of The Dallas Manufacturing Company, I am writing after having seen Mr. Rhett who came here at my request, because more than a year and a half ago I talked with Mr. Rison in regard to the future of the mill, both of us having in mind the fact that his physical condition was far from satisfactory.

Mr. Rison told me that he would not have brought the matter up if I had not spoken of it, but he very much hoped that we would see fit to select Mr. Rhett as his successor. I did not know that Mr. Rhett would consider it, and did not know whether Mr. Rison had talked with him in regard to this matter. I find that he had done so, so I shall heartily recommend Mr. Rhett's election at a meeting of the Board of Directors.

I am sure all of the directors fully appreciate your willingness to take on more work and I sincerely trust that you will continue as Assistant Treasurer, but I think it is unwise for a man of your age to take on additional responsibilities.

I have asked Mr. Rhett to consult with you and Mr. Lanier as to time for a meeting. As it takes five to make a quorum and we have four here and you only have three in Huntsville, I have suggested that it would be particularly convenient for me if one director from Huntsville could come here to attend a meeting on or about March 2d. If none of you can come at that time, of course two of us will go to Huntsville.

With kindest regards,

Yours very truly,

GHM

Mr. G.H. Milliken,

New York, N.Y.

Dear Mr. Milliken:-

I have your letter of the 16th.

Have delayed answering it until Mr. Rhett's return to Huntsville.

Am well pleased that you have decided that Mr. Rhett will be the Treasurer of Dallas. He informs me that it will be agreeable for him to come to the Director's Meeting on Monday, March 2nd, at 10.30 A.M. in your office. I have accordingly notified by mail all of the directors of the time and place of the meeting.

Yours very truly,

---

Assistant Treasurer.
