Mr. Oscar Goldsmith, Asst. Treas.,
Dallas Mfg. Co.,
Huntsville, Ala.

Dear Mr. Goldsmith:

This is my first day out of the house for some considerable time else I should have acknowledged your favor of the 11th enclosing Statements before this date. I am much obliged to you for sending them to me, and regret the profit shown for the year was not larger.

I hope that another Inventory will see a good sized reduction of the Stock of Goods On Hand, which is most desirable.

I heard recently that Mr. Rison had returned from Minnesota, and I hope he is feeling better, altho', as I understand it, he did not undergo any operation.

Please give him my kindest regards, and accept the same for yourself,

Yours truly,

SDB/A
