My dear Mr. Goldsmith:

We are holding the certificate for Judge Walker for 12 shares of Pacolet stock, and have been for several days, as you advised us he would send check on the first of August. We are in receipt of a letter from Pacolet Manufacturing Co. asking us to remit. Please ask Judge Walker to send the money.

Yours truly,

Mr. Oscar Goldsmith,
Huntsville, Ala.

Dear Mr. Goldsmith:

Enclosed please find copy of a letter which we have sent to Judge Walker today. Would be glad to have you sell any of the remaining unsold 2d Preferred Pacolet stock, at par and interest from July 1st. The interest of course will come back to the purchaser with the dividend at the end of December. None of the stock of the Pacolet Mfg. Co. has been sold at less than par and interest, and you will notice by letter to Judge Walker that the last \$300,000. of Common stock issued was issued at \$150. per share. This, of course, was before the flood which washed away Pacolet's oldest mill.

Yours truly,

DEERING, MILLIKEN & CO.

Dear Mr. Goldsmith:

Your letter of August 31st received.
We have received Judge Walker's check and mailed
him the certificate.

Of course conditions are rather exciting
at the present time, but I think you will be able to
sell some of the Pacolet 2d Preferred stock shortly.

With kind regards, I am

Dear Mr. Goldsmith:

Replying to your letter of the 29th, I enclose copies of two letters received from Mr. Newson. I presume you can find buyers for the eighty shares of Huntsville Land Co's. Dallas stock in Huntsville and I have no doubt that if you do sell it, you will get a price which should be satisfactory to all of the stockholders of the Huntsville Land Co.

With regards, I am,

Yours truly,

Mr. Oscar Goldsmith,

Dear Mr. Goldsmith:

I have just heard from Mr. Blair-Smith asking if I would bid more than 120 a share for 80 shares of Dallas stock - this is undoubtedly your Land Company stock. As I wrote you before, I have no desire to interfere with any arrangement which you have made, but I should be glad to buy 80 shares of stock at 130 per share if you are considering selling the stock outside of your family and Mr. Rison's. If you are buying it, and want to let me have part of it at this price and keep part yourselves, I shall be glad to join you.

With regards

Yours very truly,
