Honorable Robert E. Jones, M.C.
House Office Building
Washington, D. C.

Dear Bob:

A few years ago both you and Carl Elliott proved to be very helpful in my securing several issues of the Decisions and Orders of the National Labor Relations Board; and, because of this, I am taking the liberty of calling on you again.

As you know, I am up to my neck in the defense of Colonel John C. Nickerson and find that I am desperately in need of the Court-Martial Reports. There are twenty-one volumes since 1951 when the present Manual for Courts-Martial, or sometimes called the Unified Code for Military Justice, went into effect. Please see if you can arrange to secure these volumes which I believe are available to you simply by calling on the Government Printing Office, and have them forwarded to me, as they would prove of immeasurable help in the Herculean job which we have ahead of us.

Thanking you and with kindest personal regards, I am

Always sincerely yours,

Robert K. Bell
