PHONE MESSAGE FROM WALTER HARPER
OF REYNOLDS METALS, APRIL 10, 1957

"I wanted to inform Mr. Bell that our Mr. Hunt is coming in tomorrow. I think he wants to know that. I have been trying to get in touch with Colonel Barry, also. They are trying to fly in here and try to land out at the air strip at the Arsenal. With Mr. Hunt there will be a Mr. Fred Edney and Mr. Arthur Graston. They will try to land at 9:45 to 10:00 a.m. Mr. Hunt asked me to be sure and inform Colonel Nickerson. If you need me to make any arrangements for you, my extension out here at ABMA is 3841. If I am not around, talk to Mr. Savas if you want any arrangements made or information."
