Dear Bus:

Receipt is acknowledged of your favor of May 8th in re the testimony of Ralph Wiltsie in the Nicherson case. Pursuant to your instructions Mr. Wiltsie replied to inquiry in the manner suggested by you.

Irene and I would very much like to have you and your charming wife visit us. We note that the 30th is on Thursday and wonder if you will not stay over the week end and could possibly come down and spend some time with us. It would certainly be a pleasure to again visit with you all.

Sincerely,

Doug.
