Dear Buster:

I took advantage of the Nickerson trial to say a few words about you and my dear old friend Ed Betts, a copy of which appeared in The Star Monday. You will find a clipping enclosed, and if you should want another or more, please let me know.

We all down here at Anniston and Fort McClellan were pulling for Nickerson, and I am glad to see that he got out as light as he did.

With every good wish, I am

Very sincerely,

H. M. Ayers
