Stipulation read after plea of A saw 23 Exhibits introduced ^{in addition to the stipulation} & handed to the Court.
 Many of these are duplications in that they are "Copies" with slight variations.
 Ashes from the fireplace - Nothing said but ashes. Not even the slightest reference that the ashes showed it was papers, books or documents of any nature - Is ashes in fireplace in your museum?

Bangston memo Exhibit #17 dealing with Atomic Energy Act, Col
 Barry bore down in the reading of "not to be transmitted to foreign agents" JCN did not
 know it was to change with
 Proc Ex #18 says on its face that it's declassified. When detach. could not
 have been very harmful.
 Barry said some of Exhibits were lying unsecured in living quarters of the D.

Dr. Stullinger said he noticed in Nov. + Dec. that JCN was shocked + upset.
 " " States he used bad judgment in Bangston letter + documents found in his files.
 Nothing in Document 63 (microlocks) except Ref to J27 is classified.

Chicago Tribune Sept 9 tells of firing 3000 mi off the Fla Coast
 Proc Ex 25 - Master Security Classification Guide (WWD - Air Force) clearly shows the
 fact that AF classification is more lenient.

Mr. Julian Robertson said knowing JCN + knowing he has plea guilty to charges against him I would give full
 faith + credit to anything he says under oath.

Maj Gen Weaver Stipulation - We'd prefer having him here in person - But he's ice
