

1. One of as civic-minded business
man - military amateur but enthusiastic
& interested. Roc ^{some close support} ^{otherwise}) On

Judge of people - 2000-3000 employees + supplies
cust etc.

2. Build up intimacy with ^{Some Phillet - London base} Nick - Dedicated
prof soldier - amateur with highly special training
Ord sch - Army course - CT & Staff School
World war I Clemson

* 3. ? End of war Home together —

? Comment on his staying in - his fears of
dullness R talked N to staying in the Army

4. Interested in new things - recognized
V1 as new kind of artillery going far
behind front as has existed in past war

R+N
July

First Rockets at front

Rangerfaust was like our bazookas - JCN took apart

Aggressive - Ants in parts for aggressive
action - Hell bent on getting to enemy
wherever he is - Wanted more ammo

Better gun tubes - Complained about JCN as
parent of project ^{during} ^{at} ^{the} ^{beginning} ^{of} ^{the} ^{Bulge} ^{when} ^{ammunition} ^{was} ^{short}

Know what ^{Int Prg} Jeter & Lovelle of 121 thought
of support by 58 FA Bn
Combat soldier - stood in close line - was
true leader - always trying to get at the
enemy & hit his leader & leader

? Cross exam on letter to —

Can't pass on this instance. As I indicated
it he admits to violation of an AR but
I know the fierce competitive spirit of the
man - his devotion to duty - his absorption
in this progress - know he would not let
lead and info which was in fact a secret
out know - ^{to others in company with him} would be hard to get him
to give to friendly
